PROFESSIONAL EXPERIENCE

Accounts Receivable/Credit control

Apricot Property Solutions Ltd | Nairobi, Kenya
June 2021 – Present

- Managed the end-to-end Accounts Receivable (AR) ledger, ensuring accurate and timely recording of customer transactions and outstanding balances.
- Prepared and reviewed accounts receivable ageing reports, identifying overdue accounts and following up on outstanding balances to improve collections.
- Performed regular customer account reconciliations, investigating and resolving discrepancies between customer statements and internal records.
- Processed and verified customer invoices, ensuring accuracy, proper documentation and timely issuance.
- Conducted credit control and debt collection activities, following up with customers on overdue invoices and negotiating payment commitments to reduce outstanding debts.
- Monitored customer credit limits and payment history, escalating potential credit risks and recommending appropriate credit-control measures.
- Allocated and posted customer payments accurately against invoices and maintained up-to-date customer accounts.
- Performed bank and M-Pesa reconciliations, ensuring all receipts were accurately captured, allocated and reconciled with accounting records.
- Prepared and issued customer statements and maintained regular communication with customers regarding outstanding balances and account queries.

- Processed credit notes and adjustments in accordance with approved procedures and supporting documentation.
 - Investigated and resolved customer billing, payment and account discrepancies, liaising with internal departments and customers to ensure timely resolution.
 - Prepared monthly Accounts Receivable reports, including ageing analysis, collections performance, outstanding balances and other key AR metrics for management review.
 - Maintained accurate and complete AR documentation and customer records, ensuring compliance with internal financial controls and accounting procedures.
 - Support internal and external audits by preparing reconciliations, schedules, and audit documentation.
 - Record financial transactions accurately using Sage, QuickBooks, and Tally ERP.
 - Prepare and submit statutory deductions and tax-related schedules within required deadlines.
-

Junior Accountant

The King Post Ltd | Nairobi, Kenya
June 2020 – May 2021

- Processed supplier invoices, journal entries, bank reconciliations, and daily bookkeeping transactions.
 - Assisted in payroll processing and statutory remittances.
 - Prepared weekly revenue reports covering cash, card, and M-Pesa collections.
 - Produced monthly utility expenditure reports to support budgeting and cost control.
 - Assisted external auditors by preparing financial records and supporting documentation.
 - Supported customer service and administrative operations while maintaining accurate financial records.
-

Waitress & Supervisor

Art Caffé Coffee & Bakery | Nairobi, Kenya
November 2017 – March 2020

- Supervised daily restaurant operations, coordinated service staff, and ensured smooth workflow in a fast-paced environment.
- Managed daily cash collections, performed sales reconciliations, and supported accurate financial reporting.
- Maintained proper handling of cash transactions and supported compliance with internal financial controls.
- Prepared daily sales summaries and assisted with reconciliation of cash, card, and other payment transactions.
- Monitored stock usage and supported inventory control processes to reduce losses and improve operational efficiency.
- Delivered excellent customer service while supporting business growth and operational objectives.
