EDUCATION

Diploma in Human Resource Management

Completed August 2024

Kenya Certificate of Secondary Education (KCSE)

2019

CORE COMPETENCIES

HR Operations & Employee Lifecycle Management

- End-to-end employee records administration: creating, updating, and auditing personnel files across multiple organizations to maintain accuracy and confidentiality.
- Recruitment and selection support including job posting coordination, applicant screening, candidate shortlisting, and interview scheduling for multiple concurrent openings.
- Onboarding and orientation design for new hires and attaches, covering induction schedules, documentation checklists and departmental introductions.

Employee Relations & Compliance

- Disciplinary case management: documenting incidents, compiling evidence files and tracking cases through to resolution while maintaining strict confidentiality.
- Recognition and commendation processing to support staff motivation and performance culture.
- Sensitive information handling in compliance with data protection and confidentiality standards expected in HR and healthcare-adjacent environments.

Payroll & HR Analytics

- Data organization and reporting in Excel: building trackers, leave schedules and staff lists used for HR decision-making.
- Comfortable working with HR information systems (HRIS) and adapting quickly to organization-specific HR software.

Communication, Collaboration & Tools

- Cross-departmental liaison between HR management and staff to resolve queries and ensure smooth communication flow.
- Confident verbal and written communication including professional correspondence, letter drafting and presenting information clearly to staff at all levels.
- Proficient in Microsoft Excel (data tracking, basic formulas, sorting and filtering), PowerPoint (staff presentations and training materials) and Word (formal HR documentation).
- Strong team management and mentorship skills demonstrated through orienting and supervising new attaches and interns.
- Reliable, detail-oriented and organized under pressure with a track record of managing multiple HR tasks and deadlines simultaneously.
