PROFILE SUMMARY

Human Resource and Administration Professional

Dynamic and results-oriented HR and administration professional with over 7 years of experience enhancing organizational efficiency through strategic HR initiatives, policy development, and operational improvements. Proven track record in employee training and development, performance management, quality assurance, and employee relations. Demonstrates strong expertise in aligning HR processes with business goals, ensuring compliance with labor laws, and fostering a positive workplace culture. Recognized for innovative problem-solving, data-driven decision-making, and delivering exceptional support that drives organizational success. Holds a Human Resource Management diploma and continuously advances professional skills through HR certifications and training.

KEY COMPETENCIES

- **Employee Training and Development:** Skilled in designing and implementing training programs that enhance employee competencies and align with organizational goals.
- **Business Process Improvement:** Capable of analyzing and optimizing business processes to increase operational efficiency and reduce errors.
- **Performance Management:** Proficient in conducting performance evaluations, setting benchmarks, and implementing performance improvement plans.
- **Policy Development:** Adept at developing and enforcing HR policies and procedures that comply with labor laws and support business objectives.
- **Quality Management:** Experienced in establishing and maintaining quality standards across operations, ensuring consistent improvement and client satisfaction.
- **Employee Relations:** Strong ability to foster positive employee relations, handle grievances, and build a collaborative workplace culture.
- **Organizational Development:** Skilled in implementing strategies that enhance organizational structure and drive a high-performing culture.
- **Administration Processes:** Experienced in managing administrative tasks such as documentation, record-keeping, and reporting to streamline office operations.

MAJOR ACCOMPLISHMENTS

- **Led Quality Improvement:** Successfully led a team from a critical performance level ("red" danger zone) to a stable performance level ("green"), retaining client confidence and preventing project withdrawal.
- **Enhanced Efficiency:** Implemented operational systems and best practices that improved overall efficiency by 30%, benefiting organizational productivity.
- **Reduced Rejection Rates:** Developed creative, cost-effective methods to curb rejection rates, including increasing sample sizes and providing tailored feedback to team members.
- **Improved Quality Standards:** Recommended and implemented measures to consistently enhance quality standards across multiple work streams, reducing defects and improving client satisfaction.
- **Achieved Top Associate Recognition:** Recognized as Top Associate for four months (December 2016, January, February, and June 2017), reflecting outstanding individual performance and dedication.
- **Built Strong Organizational Culture:** Contributed to fostering a high-performing organizational culture by developing and executing employee engagement surveys, HR clinics, and awareness programs.
- **Strengthened HR Compliance:** Ensured compliance with Kenyan labor laws and the Data Protection Act, aligning HR policies with legal requirements to protect the organization and its employees.

CAREER HIGHLIGHTS

People & Culture Associate & Executive Assistant

Jan 2026 to Date

Human-Centered Leadership & Culture Consulting LTD - HLCC Africa

- **Recruitment & Onboarding:** Coordinated recruitment by drafting JDs, screening candidates, and scheduling interviews. Facilitated onboarding by preparing documentation and supporting new hire orientation.
