CAREER HIGHLIGHTS

HR Intern | Makini Schools | Jan 2026 – to date

Roles and Achievements:

- Lead a digitization project by scanning and organizing over 400 employee files, improving record accessibility by 90% and significantly reducing paperwork within the HR department.
- Improve efficiency in document retrieval and HR record management by digitizing employee records and maintaining an organized filing system.
- Prepare employee contracts with 100% accuracy while ensuring compliance with company policies and HR procedures.
- Assist in writing and maintaining employee medical reports, ensuring confidentiality and timely documentation.
- Manage employee leave records and improve leave tracking efficiency by maintaining accurate leave schedules and balances.
- Support onboarding processes for new employees by preparing staff documentation and facilitating smooth orientation processes.
- Assist in staff requisition processes, contributing to timely recruitment and workforce planning.
- Maintain and update employee databases, improving data accuracy and accessibility for HR operations.
- Assist in recruitment activities including shortlisting candidates, scheduling interviews, and communicating with applicants to support efficient hiring processes.
- Support payroll preparation by organizing employee attendance records and HR documentation with high accuracy.
- Handle filing, data entry, and administrative support duties, improving office efficiency and workflow coordination.
- Respond to employee inquiries regarding HR policies, contracts, and leave management, enhancing communication and employee support.
- Assist in organizing staff training sessions, meetings, and employee welfare activities to promote employee engagement and development.
- Ensure 100% confidentiality and proper handling of sensitive employee information and HR documents.
- Collaborate with different departments to support smooth HR operations and effective employee management.

Roles and Achievements:

- Assist in onboarding new employees and interns by preparing orientation materials and ensuring a smooth induction process. Collect and verify necessary documents such as ID copies, academic certificates, and bank details.
- Review job applications and internship requests based on established criteria, compile shortlisted candidates, and forward recommendations to supervisors for further consideration.
- Organize and maintain employee records both physically and digitally, ensuring accurate filing, easy retrieval, and proper document storage.
- Draft internship acceptance letters and other HR correspondence for successful applicants in a professional and timely manner.
- Update and maintain employee and intern records in HR spreadsheets and databases to ensure accurate and up-to-date information.

Roles and Achievements:

- Organize and maintain employee records by ensuring all documents are properly filed, accurately labeled, and easily accessible for HR operations.
- Support the onboarding of attaches by collecting and verifying required documents such as ID copies, academic certificates, and other onboarding paperwork.
- Assist employees in preparing and completing leave application forms accurately while ensuring proper documentation and submission procedures are followed.
