Objective

Results-driven Human Resources and Payroll Management professional with over 3 years of progressive experience managing HR operations within established organisations. Proven experience overseeing end-to-end HR functions including payroll management, employee relations, policy implementation and HR compliance. Demonstrated ability to manage payroll for 250+ employees, coordinate statutory submissions (EMP201, EMP501, UIF, COIDA), and maintain compliance with South African labour legislation. Experienced in Employment Equity administration, workplace skills development, WSP/ATR administration, SETA processes, skills audits, training needs analysis and Employment Equity / Skills Development Committee coordination. Experienced in supporting executive leadership, strengthening HR processes, and improving workforce administration within multi-department environments. Recognised for a hands-on leadership approach, strong problem-solving ability and the capacity to streamline HR operations to improve organisational efficiency. A motivated and adaptable professional committed to continuous development and delivering measurable value through effective HR and payroll practices. Open to relocation and new professional opportunities.

Experience

Future Sonie Financial Services

HR Manager

May 2023 - Current

Responsible for overseeing the Human Resources function within the organisation, ensuring efficient HR administration, payroll management, and compliance with labour legislation. Supporting management in maintaining effective HR systems, employee relations, and operational HR processes.

Key responsibilities:

- Manage the full payroll function for over 250 employees, ensuring accurate salary processing, deductions, and payroll compliance.
- Prepare and submit statutory returns including EMP201, EMP501, UIF, and COIDA within required deadlines.
- Develop, review, and implement HR policies, procedures, and employment contracts in line with labour legislation.
- Manage the full recruitment process including drafting job adverts, screening CVs, shortlisting candidates, coordinating interviews, and onboarding new employees.
- Handle employee relations matters including grievances, disciplinary hearings, counselling, workplace conflict resolution, and CCMA preparation.
- Maintain and update employee records, ensuring all HR documentation and personnel files are accurate and compliant.
- Oversee leave administration and monitor employee attendance through the HR system.
- Coordinate training and development initiatives, skills audits and training needs analysis to support employee skills development.
- Prepare and administer Workplace Skills Plan (WSP) and Annual Training Report (ATR) processes, including SETA submissions and supporting documentation.
- Coordinate Employment Equity administration and reporting and support Employment Equity / Skills Development Committee activities.
- Ensure compliance with company HR policies, BCEA, LRA, EEA, SDA and other applicable South African labour legislation.
- Prepare HR reports and provide workforce updates to management and company directors.

Abacwaningi Business Solutions

Assistant HR Administrator

January 2021 - March 2023

Provided HR administrative and operational support across departments, assisting with HR processes, employee documentation, and payroll administration.

Key Responsibilities

- Maintained and updated employee records, HR documentation, and confidential personnel files.
- Assisted with recruitment processes including coordinating onboarding.
- Supported payroll administration by preparing payroll information and assisting with payslip processing.
- Managed employee leave applications, attendance records, and HR system updates.
- Assisted HR management with disciplinary procedures, employee grievances, and general employee relations matters.
- Ensured HR processes complied with company policies, procedures, and workplace regulations.

Sappi Vulindlela Project

Administrator

January 2020 - December 2020

Provided administrative and HR support to project operations, ensuring accurate employee records and assisting with payroll and recruitment processes.

Key Responsibilities

- Maintained employee records, contracts, and personnel documentation.
- Assisted with payroll administration including capturing overtime and supporting payroll calculations.
- Managed leave records, attendance registers, and employee timesheets.
- Assisted with recruitment processes including CV screening, candidate shortlisting, and interview coordination.
- Prepared UIF declarations and maintained supporting administrative documentation.
