PROFESSIONAL SUMMARY

I hold a Bachelor of Education (Arts) from Kenyatta University, a Certificate in Leadership and Management, and a Child Online Protection Certificate from AFRALTI in collaboration with the Communications Authority of Kenya. I have practical experience supporting executives through calendar management, meeting coordination, travel arrangements, correspondences, and email management. My background also includes customer service, public awareness campaigns, community-level data collection, and teaching diverse learners across both government and private sectors. I am driven by a commitment to quality service, clear communication, and delivering value in fast-paced environments that demand adaptability, discretion, and professionalism.

PROFESSIONAL EXPERIENCE

DATA ANALYST/ANNOTATOR - Contract

CVAT.ai

- Support machine learning and artificial intelligence projects by preparing, cleaning, and labeling high-quality image and video datasets using the CVAT platform.
- Accurately annotate large volumes of data while adhering to project guidelines, ensuring precision, consistency, and proper categorization of objects and scenes.
- Conduct quality assurance checks to identify and correct labeling errors, improving overall dataset integrity and model performance.
- Collaborate with project managers, data engineers, and fellow annotators to streamline workflows and maintain efficient task completion within tight deadlines.
- Document daily progress, maintain clear version control, and organize data files for easy access and future reference.

- Contribute to the continuous improvement of annotation processes by sharing feedback and suggesting practical solutions to enhance accuracy and productivity.
- Demonstrate strong attention to detail, adaptability to evolving project needs, and commitment to maintaining high annotation standards across all assigned tasks.

CUSTOMER SERVICE AGENT

Solami Limited

January 13th- To date

- Manage and address customer inquiries, ensuring prompt and effective solutions.
- Provide a positive customer experience by actively listening and resolving issues.
- Promote responsible gaming practices to customers, ensuring adherence to company policies.
- Communicate with customers via phone, email, or chat, offering support and information.
- Utilize problem-solving skills to address and resolve customer concerns efficiently.
- Work within set deadlines to meet customer expectations and business goals.

PUBLIC EDUCATION AND AWARENESS INTERN

Public Education and Awareness Department Communications Authority of Kenya

October 28th 2024 – January 10th 2025

- Successfully assisted in outreach activities, educating parents, guardians, and children on the importance of Online Safety.
- Collaborated with schools and organizations to deliver impactful public awareness initiatives on Child Online Protection (COP).
- Contributed to the smooth execution of events and campaigns such as Safer Internet Day and the International Day for Persons with Disabilities (IDPWD), where I supported planning, coordination, and rapporteuring.
- Developed and reviewed educational materials and presentations that enhanced digital literacy and online safety awareness.

- Wrote speeches and drafted accurate minutes for meetings, ensuring alignment with organizational objectives.
- Drafted official correspondences and ensured timely dispatch to relevant stakeholders.
- Designed questionnaires, analyzed responses, and produced comprehensive reports to evaluate the effectiveness of public awareness activities.
- Collected and assessed feedback from outreach programs, preparing detailed reports that informed future initiatives.
- Represented the organization in workshops and forums, facilitating discussions on public education and online safety.
- Stood in for the Senior Office Administrator, supporting C-Suite Executives by managing calendars, coordinating high-level meetings, handling confidential documents, and preparing briefing materials.
- Organized executive travel logistics, including preparing itineraries, scheduling flights, and ensuring smooth coordination of all arrangements.
- Maintained orderly filing and records systems while ensuring timely access to critical information for decision-making.
- Conducted research to identify trends and opportunities in public education and online safety, strengthening the organization's knowledge base.
- Delivered all additional assignments with efficiency, discretion, and professionalism.
- Any other assignments

BRAND PROMOTER

Trad Co Limited, Kericho, Kenya

February 18th, 2021 - Present

- Promoted products such as Ariel, Downy, Pampers, Oral-B, and Always, using Retail Field Metrics to optimize sales, track inventory, and evaluate promotional effectiveness.
- Achieved key performance indicators (KPIs) by consistently meeting targets: managed a daily volume of 20 cases, maintained a hit rate of 70% (ensuring at least 70% of engaged customers

made a purchase), and engaged with 30 customers per day.

- Utilized storytelling techniques to build customer trust and effectively convey the benefits of each product.

- Addressed customer concerns and provided solutions in line with company policies.

Collaborated with sales teams to develop promotional strategies, track performance metrics, and implement improvements.

PARTY HOST

Village Market (Hameco)

October 21st, 2023 – December 31st, 2023 (Weekend Gig)

- Planned and organized engaging events and parties for children and their friends in Ozone and Under the sea sections

- Managed event logistics, including setup, guest coordination, and payment processing and parking voucher awarding

- Coordinated with food and beverage staff for timely delivery of food, drinks, and cake.

- Interacted with guests to create a lively atmosphere and resolve inquiries.

- Collaborated with vendors for the timely setup of all party essentials like birthday banners, balloons paper cups, plates and serviettes

PRACTICING TEACHER

Kapkarin Secondary School, Litein

May 10th, 2023 – July 29th, 2023

- Delivered educational content and managed classroom activities for secondary school students. Developed lesson plans and instructional materials to meet curriculum standards.

- Assessed student performance through assignments, tests, and projects, providing constructive feedback.

- Fostered a positive and inclusive learning environment to encourage student participation and engagement, significantly improving Form 1 and Form 2 performance in English through a student-centered approach.

- Compiled detailed end-of-term reports on student performance, classroom activities, and overall learning outcomes.

- Provided comments and feedback on schemes of work, ensuring alignment with curriculum objectives and addressing areas for improvement.

CLERK

Independent Electoral and Boundaries Commission, Kericho, Kenya

August 8th-9th, 2022

- Assisted in voting processes, including witnessing, counting, and tallying votes.

- Verified voter identities by checking IDs and authenticating fingerprints, ensuring compliance with electoral regulations similar to Know Your Customer (KYC) procedures.

- Aided in sealing ballot boxes and ensuring accuracy and adherence to electoral procedures and regulations.

- Supported the setup and management of polling stations, ensuring a smooth and efficient voting experience.

- Recorded the number of ballots issued, ensuring accurate record-keeping for auditing and transparency purposes.

RECEPTIONIST

Gift Mart Supermarket, Kericho Branch, Kenya

April 2020 - February 2021

- Managed incoming calls and directed them to the appropriate staff using a multiline telephone system.

- Greeted and assisted customers professionally, providing knowledgeable support and guidance.

- Maintained an organized and welcoming front desk area.
- Assisted with administrative tasks, including scheduling appointments, managing records, and creating customer cards for loyalty points.
- Wrote up receipts for cashbook as required by organizations such as the Kenya Prison Hospital for items purchased.

ENUMERATOR

Kenya National Bureau of Statistics (KNBS), Kericho, Kenya

Night of August 24/25-31, 2019

- Conducted data collection and clerical duties for the 2019 national census.
- Ensured accurate and thorough data recording and reporting.
- Collected household demographic, social, and economic data through door-to-door interviews
- Built trust with respondents in varied communities to ensure honest and complete participation
- Used mobile data entry devices to record responses accurately and efficiently
- Verified housing structures and ensured full coverage of the assigned enumeration area
- Maintained confidentiality and followed strict protocols for data protection and ethical handling
- Met all assigned deadlines while working independently under minimal supervision
