

CURRICULUM VITAE

SABINA BLAY BAISSIE

Human Resources & Administration Role

Takoradi, Ghana | olivebaissie@gmail.com | +233 (0) 551 526 261

PROFESSIONAL PROFILE

Results-oriented **Human Resources and Administration Professional with 5+ years of progressive experience** supporting and managing HR operations across logistics, shipping, and operational environments. Experienced in recruitment and selection, onboarding, employee relations, personnel administration, training coordination, payroll support, attendance and leave management, HR policy implementation, compliance, and employee records management.

Demonstrated ability to independently coordinate end-to-end HR processes, support management in people-related matters, maintain confidential employee records, coordinate workforce development initiatives, and implement practical HR systems and procedures. Strong working knowledge of Ghanaian labour and employment requirements, with proven organisational, communication, problem-solving, and stakeholder-management skills.

Known for being **proactive, discreet, highly organised, adaptable, and capable of working independently in demanding environments while maintaining professionalism and attention to detail.**

PROFESSIONAL EXPERIENCE

Human Resources Supervisor

Greenline Logistics Limited, Takoradi, Ghana

January 2026 – August, 2026

- Independently manage and coordinate **day-to-day HR operations** for a multi-functional logistics organisation, providing HR support to management and employees.
- Coordinate **end-to-end recruitment and selection processes**, including preparation of recruitment requirements, candidate screening, interviews, selection documentation, onboarding, and placement of new employees.
- Manage employee **onboarding and personnel documentation**, ensuring that employee files contain required employment, identification, statutory, medical, training, and other HR records.
- Coordinate and maintain the **staff register, employee records, attendance information, leave administration, and other HR databases** to support accurate workforce information and reporting.
- Coordinate **training and employee development activities**, including preparation and monitoring of the training matrix, identification of training requirements, staff availability, attendance, completion records, and outstanding training needs.
- Coordinated outstanding operational training programmes including **Defensive Driving, First Aid, Fire Fighting, Mincom Competency, and ADR/Dangerous Goods training**, while monitoring employee participation and completion.
- Support management in ensuring that employees, particularly operational staff and drivers, meet relevant **competency, certification, and training requirements** before undertaking assigned duties.
- Develop, review, and implement **HR policies, procedures, work instructions, forms, and administrative processes** to strengthen HR controls and standardise people-management practices.

- Supported the development and implementation of HR initiatives under the company's **HR 90-Day Stabilisation Plan**, including personnel file completion, HR documentation, workforce records, training, and process improvements.
- Coordinate **payroll inputs and verification**, including attendance information, leave records, employee movements, and other HR-related data required for monthly payroll processing.
- Administer employee **leave and attendance processes**, maintaining accurate records and supporting management with workforce availability information.
- Support management on **employee relations, disciplinary matters, performance-related issues, and interpretation/application of HR policies and procedures**.
- Prepare and maintain official **HR correspondence**, employment-related documentation, confirmation/termination/resignation records, recruitment documents, training records, and other confidential HR documentation.
- Supported preparation of HR documentation for **ISO surveillance audit readiness**, including employee folders, training records, competency documentation, and succession-planning requirements.
- Coordinate with departmental heads and supervisors on **manpower requirements, recruitment needs, employee availability, training schedules, and workforce deployment**.
- Supported the recruitment and onboarding of **Driver Mates, Heavy-Duty Drivers, and other operational personnel**, including review of candidate qualifications against established recruitment requirements.
- Prepare and coordinate **out-of-station HR and travel-related documentation** for employees undertaking approved work assignments and competency programmes.
- Maintain confidentiality and exercise sound judgement when handling **employee records, management directives, disciplinary matters, remuneration information, and other sensitive HR matters**.
- Review HR documentation and recruitment records against applicable **HR work instructions and established recruitment criteria**, identifying gaps requiring management attention.

Human Resources Officer

Consolidated Shipping Agencies Limited, Takoradi, Ghana

April 2021 – February 2025

- Managed recruitment and selection activities, supporting the organisation in attracting and onboarding qualified employees.
- Coordinated employee onboarding, employment documentation, contracts, and personnel records.
- Supported **payroll processing and verification**, ensuring that relevant employee information was accurately captured and submitted.
- Administered employee leave records, attendance information, and other workforce documentation.
- Supported employee relations and provided guidance on **HR policies, disciplinary procedures, employment conditions, and workplace practices**.
- Maintained accurate and confidential employee records and HR databases.
- Assisted with performance management and employee review processes.
- Supported implementation of HR policies and procedures in line with organisational requirements and Ghanaian labour legislation.
- Prepared HR correspondence, employment documentation, and other official employee-related records.
- Supported management in resolving employee-related matters and maintaining effective workplace relationships.
- Coordinated administrative activities and provided practical HR support across the organisation.

Administrator & HR Officer

Delta Flash Intervention Ltd., Ghana

July 2015 – March 2021

- Coordinated day-to-day **HR and office administration** activities.
- Supported recruitment, employee selection, onboarding, and preparation of employment documentation.
- Assisted with employment contract preparation and benefits administration.
- Maintained employee records, HR databases, correspondence, and administrative documentation.
- Coordinated internal communication and provided administrative support to management and employees.
- Managed document filing and records organisation to ensure easy retrieval and proper document control.
- Supported organisational compliance and implementation of administrative procedures.
- Provided general office coordination and stakeholder support.

Administrator & Graphic Designer
EL Chris Digital House, Ghana
September 2007 – December 2011

- Provided administrative, secretarial, customer service, and document-preparation support.
- Prepared business correspondence and client documentation.
- Coordinated customer communication and supported day-to-day office activities.
- Designed promotional and business materials to support client engagement and business visibility.

NATIONAL SERVICE
