WORK HISTORY

Basco Products (K) Ltd – Nairobi, Kenya

Human Resource Officer

February 2016 – Present

Key Roles & Responsibilities:

- Lead end-to-end recruitment across multiple departments and branches, implementing strategic hiring approaches that significantly reduce time-to-hire.
- Design and standardize comprehensive job descriptions and competency frameworks.
- Manage diverse recruitment portfolios, including high-volume operational hiring and senior/executive talent acquisition, overseeing interviews, selection processes, and onboarding integration.
- Build and sustain strong talent pipelines and succession plans for critical roles.
- Oversee and manage third-party recruitment vendors and partners.

- Coordinate HR operations and communication across all branches and depots.
- Collaborate with Health & Safety teams to enforce workplace safety compliance.
- Champion diversity, equity, and inclusion (DEI) initiatives by embedding inclusive hiring practices.
- Monitor and evaluate key HR metrics including recruitment, retention, turnover, and employee engagement using data insights.
- Prepare and present detailed HR reports (headcount, attrition, leave trends, payroll insights, benefits administration and recruitment analytics).
- Lead organizational restructuring initiatives, including workforce planning, role redesign, and staff redeployment, ensuring smooth transitions and minimal disruption to operations.
- Design and implement structured onboarding and induction programs.
- Spearhead graduate recruitment and early-career development programs.
- Ensure full compliance with labour laws, data protection regulations, and internal HR policies, mitigating organizational risk and maintaining ethical standards.
- Manage employee benefits programs, including medical insurance and pension schemes.
- Act as a trusted advisor to management and staff on employee relations matters.
- Conduct and analyse exit interviews to identify trends, provide actionable insights, and propose strategies to improve employee retention.
- Manage recruitment agency contracts, improving service quality and reducing hiring costs.
- Lead employee engagement initiatives, using surveys and feedback to improve retention strategies.
- Maintain HR records like contracts, offer letters, and leave records with attention to legal accuracy.
- Support performance reviews by coordinating evaluations and feedback processes.

Lupra Limited – Nairobi, Kenya

Industrial Relations Officer

April 2014 – January 2016

KEY ACHIEVEMENTS

Basco Products

Key Accomplishments

- Reduced time-to-fill by redesigning recruitment workflows, implementing an applicant tracking system, and automating candidate pipeline management.
- Increased internal mobility by introducing transparent internal job posting systems, talent mapping frameworks, and career development pathways.
- Achieved 100% compliance with labour laws, HR audits, and data protection regulations by standardizing policies and conducting regular compliance reviews across branches working with the department heads.
- Strengthened branch coordination and HR service delivery by aligning HR practices, improving communication channels.
- Reduced employee grievance resolution time by implementing structured employee relations frameworks and strengthening conflict resolution mechanisms.
- Improved onboarding effectiveness through structured induction programs and early engagement strategies.
- Strengthened employer branding and early talent pipelines by leading graduate recruitment programs

Lupra Limited

Key Accomplishments

- Resolved employee grievances internally, avoiding escalation and reducing legal exposure.
- Reduced disciplinary cases through proactive education on workplace policies and consistent application of HR procedures.
- Established structured grievance handling procedures, reducing resolution time from 21 to 14 days on average.
- Led internal investigations and successfully closed misconduct cases within policy timelines.

- Contributed to HR policy updates, ensuring full alignment with Kenyan Employment Act and emerging IR best practices.
- Improved disciplinary documentation standards, reducing case reversals due to procedural errors.
- Played a key advisory role during a major restructuring exercise, ensuring fair employee redeployment and compliance with exit protocols.
