PROFESSIONAL EXPERIENCE

Human Resource Assistant | Compensation & Performance Specialist

KEDA Ceramics International | February 2026 – July 2026

- Digitized and organized over 550 employee files, transitioning physical personnel records into Oracle Cloud HCM to enhance document retrieval speed, data accuracy, and statutory compliance audit readiness.
- Coordinated and led 35+ Performance Improvement Plan (PIP) meetings, establishing operational target frameworks, conducting performance reviews, update PIP tracker and issuing formal PIP letters.
- Prepared Performance Assessment Data Summaries and performance management reports for operational departments.
- Participated in employee disciplinary hearings, accurately documenting proceedings and ensuring strict adherence to internal policies and legal standards.
- Conducted market salary benchmarking and comparative surveys for engineering departments to guide salary competitiveness and compensation structuring.
- Processed monthly payroll inputs relating to attendance, leave balances, absenteeism tracking, and overtime deductions.
- Supported recruitment activities including job postings, candidate screening, interview coordination and reference checks.
- Prepared employment contracts, new-hire documentation and employee personal files.
- Maintained employee records, contracts, statutory documentation and HR data using Oracle Cloud Human Capital Management (HCM).
- Drafted, prepared and issued salary adjustment letters for casual and contract-based employees.
- Conducted comparative research on corporate medical insurance providers and employee benefit offerings.

Human Resource & Administration Assistant

EBK Hardware and Apparel | April 2025 – January 2026

- Maintained accurate and confidential employee records, personnel files and HR databases in line with company policy and labour requirements.
- Managed full-cycle recruitment and biometric onboarding for over 100 new employees, streamlining orientation lag and securing accurate biometric attendance tracking.
- Coordinated onboarding training sessions for new hires and prepared new hires documentation.
- Prepared and issued employment contracts, confirmation letters, warning letters, disciplinary notices, exit forms and codes of conduct.
- Tracked biometric attendance, leave administration, and overtime computation to feed into payroll, and updated shift staff lists.
- Supported payroll preparation by compiling attendance, overtime and leave data, responding to payroll-related queries and dispatched payslips to employees.
- Assisted with disciplinary hearings and grievance handling while supporting adherence to internal policies and Kenyan labour requirements.
- Implemented HR policies and procedures and monitored compliance across departments.

- Oversaw general office administration, vendor procurement, staff uniform/PPE distribution, and workplace health and safety compliance.

Human Resource Intern

Achievo Limited | October 2024 – February 2025

- Supported recruitment by coordinating candidate communication, verifying documentation, scheduling interviews and assisting during interview sessions.
- Digitized and organized employee documents, transitioning physical personnel records into Doc-IT to enhance document retrieval speed and data accuracy
- Maintained and updated employee data using HRIS and Dayforce systems to support data accuracy and compliance.
- Coordinated onboarding and orientation, including preparation of contracts, employee files and induction materials.
- Organized and maintained employee records in physical and digital formats.
- Participated in disciplinary hearings and HR policy review meetings, gaining exposure to employee relations processes.
- Drafted HR correspondence including transfer letters, resignation acknowledgements and internal communication memos.

HR, Administration & Projects Intern

Mini-Bakeries Limited | September 2022 – December 2022

- Maintained employee records and supported statutory compliance documentation including NHIF, NSSF and KRA requirements.
- Processed employee insurance documentation and supported bank loan application requests.
- Assisted with project documentation, sales reporting, data entry and preparation of management reports.
- Provided HR and administrative coordination support to enhance operational efficiency.
