PROFESSIONAL EXPERIENCE

Oasis Healthcare Group Limited

Human Resource Officer

July 2026 – To Date

- Oversee and coordinate day-to-day HR operations, ensuring efficient and timely delivery of HR services across the organization.
- Manage the end-to-end recruitment and selection process, including manpower planning, job descriptions, shortlisting, interviews, reference checks, and onboarding.

- Coordinate employee onboarding, induction, and orientation processes, ensuring new employees complete all required documentation.
- Manage employee relations matters, including grievances, disciplinary cases, employee concerns, workplace conflicts, and other employee-related issues in accordance with company policies and labour laws.
- Provide HR advisory support to management, departmental heads, and employees on employment policies, procedures, employee relations, and workplace practices.
- Develop, review, communicate, and implement HR policies and procedures to promote compliance and consistency across departments.
- Oversee employee records and HRIS management, ensuring employee information, personnel files, contracts, and other HR documentation are accurate, complete, confidential, and up to date.
- Coordinate payroll administration by reviewing payroll inputs, attendance, leave records, new hires, exits, salary adjustments, and other employee changes in liaison with the Finance Department.
- Oversee leave and attendance management and ensure accurate and timely maintenance of employee attendance and leave records.
- Coordinate and support the performance management process, including performance reviews, performance improvement plans, and follow-up on identified performance gaps.
- Identify training and development needs and coordinate staff training, capacity-building, mentorship, coaching, and employee development initiatives.
- Coordinate employee engagement, staff welfare, and employee well-being initiatives to promote a positive and productive workplace culture.
- Prepare and analyze HR reports, including recruitment, turnover, attendance, leave, training, performance, and other management reports to support decision-making.

- Prepare and review HR documentation, including employment contracts, appointment letters, confirmation letters, memos, warning letters, disciplinary correspondence, and other employee-related documents.
- Conduct HR audits and follow up on identified gaps to strengthen HR processes, documentation, and compliance.
- Liaise with departmental heads to identify staffing needs, address employee-related concerns, and support effective workforce management.
- Manage employee separation processes, including exit interviews, clearance, documentation, and coordination with relevant departments.
- Maintain confidentiality and ensure appropriate handling of sensitive employee and organizational information.
- Monitor HR processes and identify opportunities for improvement, automation, and increased efficiency in HR service delivery.
- Train and guide employees and supervisors on HR policies, workplace procedures, employee conduct, performance expectations, and compliance requirements
