Professional Summary

Results-driven and tech-savvy Human Resource professional with a BSc in Human Resource Management and hands-on experience in HR administration, payroll support, and remote Agile People Operations. Proven ability to manage end-to-end recruitment, maintain 100% confidential personnel files, and ensure statutory compliance (PAYE, NSSF, SHIF, AHL, NITA, HELB). Skilled in HR systems (Microsoft Dynamics ERP) and advanced data analysis using MS Excel (VBA, Power Query). Seeking to apply a data-driven and process-improvement mindset to an HR Assistant, HR Associate, HR Generalist, or HR Executive role.

Professional Experience

HR & Administration Intern

08/2025 – 06/2026 | Nyeri, Kenya

Nyeri Water and Sanitation Company (NYEWASCO)

Completed internship at an ISO 9001:2015-certified state corporation.

- Supported monthly payroll for 200+ employees using Microsoft Dynamics ERP by preparing and verifying overtime reconciliation and leave-encashment documentation.
- Prepared and verified statutory compliance paperwork, ensuring timely remittance for PAYE, NSSF, SHIF, AHL, and NITA obligations. Maintained over 200 active and archived personnel files (P-files) and medical cover records, preserving 100% data confidentiality and audit readiness.
- Coordinated end-to-end recruitment by screening CVs, building candidate shortlists, and tracking internship applications.
- Compiled performance-appraisal data and produced analytical workforce reports using MS Excel (VBA macros and Power Query).
- Structured staff onboarding schedules, drafted official HR correspondence (memos, minutes), and provided administrative support during disciplinary processes.
- Managed office-supply Local Purchase Order (LPO) workflows and compiled weekly vehicle-utilization reports.
- Received an 'Excellent' performance rating in the MD-signed internship completion letter (Ref: NWSC/INTERN/III/97/87).

Agile People Operations Intern
