WORK EXPERIENCE

**PEOPLELINK CONSULTANTS LIMITED June 2026 to date Human Resource
Outsourcing (Operations)**

Overall, Purpose: *Responsible for helping the company in managing all aspects of Human Resources practices and supervisory processes for the company.*

Recruitment & Selection

- Manage the end-to-end recruitment and selection process, including workforce planning, job advertising, candidate sourcing, screening, shortlisting, interviewing, reference checks, salary negotiations, selection, and placement.

- Partner with hiring managers and departmental heads to develop job descriptions, terms of reference, job specifications, competencies, and recruitment requirements.
- Coordinate interview schedules and participate in competency-based interviews, providing professional recommendations on candidate suitability.
- Ensure recruitment processes are fair, transparent, consistent, merit-based, and free from discrimination or bias.
- Coordinate pre-employment documentation, reference checks, work permit verification where applicable, offer letters, and employment contracts.
- Work with senior management to determine appropriate terms and conditions of employment, including contract type, remuneration, benefits, and other employment terms.
- Coordinate new employee joining dates and oversee onboarding and induction programs to ensure smooth integration into the organization.
- Work closely with hiring managers and operations teams to prepare first-day schedules, workstations, equipment, access requirements, and other onboarding needs.
- Maintain an accurate and confidential recruitment database and recruitment documentation.

Performance Management

- Develop, implement, and monitor performance management systems aligned with organizational objectives.
- Coordinate annual, probationary, anniversary, and other performance appraisal processes for employees and management.
- Work with departmental heads to establish performance objectives, KPIs, development priorities, and talent strategies.
- Provide guidance to managers on performance management, objective setting, appraisal processes, feedback, and performance documentation.
- Coordinate Performance Improvement Plans (PIPs) for employees whose performance falls below expected standards.
- Monitor probation reviews and confirmation processes and ensure timely communication of confirmation decisions.
- Handle and resolve employee grievances arising from performance and appraisal processes fairly and professionally.
- Maintain accurate performance and employee databases and ensure timely updates.

HR Policies, Procedures & Compliance

- Develop, implement, review, and recommend HR policies, procedures, systems, and practices in line with organizational objectives and best practice.
- Monitor HR activities to ensure compliance with applicable employment legislation, statutory requirements, internal policies, and regulatory standards.
- Keep management informed of changes in employment legislation and HR best practices that may affect the organization.
- Ensure employees are appropriately contracted and monitor timely probation confirmations, contract renewals, and employment documentation.
- Develop and oversee comprehensive employee induction and orientation programs.

- Review and continuously improve the HR Manual, Employee Handbook, policies, procedures, and HR processes.
- Provide professional advice and guidance to employees and managers on HR policies, procedures, terms and conditions of employment, and employee rights.
- Lead the development of HR objectives and work plans and monitor implementation and performance of HR support teams.

Employee Relations, Disciplinary & Grievance Management

- Manage employee relations matters and provide professional guidance to managers on workplace issues.
- Handle disciplinary cases in accordance with applicable employment legislation, company policies, and principles of procedural and substantive fairness.
- Conduct and coordinate disciplinary investigations, hearings, show-cause processes, warnings, and other corrective action processes.
- Manage employee grievances and workplace complaints confidentially, fairly, and objectively.
- Support management in resolving workplace disputes before they escalate into formal legal matters.
- Coordinate with legal counsel where employee relations matters develop into legal disputes and provide the required employment records and documentation.
- Promote a positive workplace culture based on fairness, accountability, respect, and professionalism.

Training & Development

- Conduct training needs assessments at organizational, departmental, and individual levels.
- Identify skills and competency gaps and recommend appropriate learning and development interventions.
- Develop and implement annual training calendars aligned with business and employee development priorities.
- Coordinate internal and external training programs and monitor training effectiveness.
- Support career development, talent management, succession planning, and employee capability-building initiatives.
- Supervise, coach, and develop HR support staff to enhance their technical and professional capabilities.
- Implement employee welfare, engagement, social, and support initiatives that promote a positive working environment

HR Records & HRIS Administration

- Maintain accurate, complete, confidential, and up-to-date employee personnel files and HR records.
- Ensure proper maintenance of employment contracts, leave records, job descriptions, appraisal documents, disciplinary records, and other employee documentation.
- Develop and maintain effective manual and electronic HR filing and retrieval systems.

- Maintain and update the Staff Master Database and HRIS records.
- Ensure employee data is accurate, secure, confidential, and compliant with applicable data protection and statutory requirements.
- Coordinate collection and updating of employee information in collaboration with departmental heads.
- Oversee employee exit processes, including exit interviews, clearance, documentation, and final employee records.

Payroll Management & Administration

- Coordinate and review monthly payroll processing to ensure accuracy, completeness, and timely payment of employee salaries.
- Work closely with Finance, payroll teams, banks, and other stakeholders to resolve payroll issues and ensure timely salary payments.
- Review payroll inputs including new hires, exits, salary adjustments, allowances, deductions, bank changes, and other payroll amendments.
- Authorize and coordinate approved payroll changes and corrections.
- Review and distribute pay slips and assist employees with interpretation and clarification of their monthly pay.
- Monitor employee attendance and ensure accurate and timely submission of attendance data for payroll processing.
- Identify opportunities to improve attendance monitoring and payroll processes.

Labor & Industrial Relations

- Ensure organizational compliance with applicable labor laws, government requirements, and employment regulations.
- Maintain positive industrial relations between management, employees, trade unions, and other relevant stakeholders.
- Serve as a key HR contact in matters involving trade unions and employee representatives.
- Provide technical HR and labor relations advice to managers to support effective employee management.
- Support the organization in managing labor disputes and maintaining a stable and productive working environment.
- Liaise with relevant labor authorities and stakeholders where required.

Leave Management

- Oversee employee leave administration, including annual leave, sick leave, off days, and other authorized absences.
- Ensure leave records are accurately maintained and regularly updated.
- Monitor compliance with organizational leave policies and applicable statutory requirements.
- Prepare leave reports and provide management with relevant leave utilization information.

Employee Engagement & Welfare

- Develop and implement employee relations initiatives that promote positive employer-employee relationships.
- Conduct employee satisfaction and engagement surveys and recommend appropriate interventions based on findings.
- Develop employee welfare initiatives aimed at improving morale, motivation, productivity, and retention.
- Address employee concerns professionally and ensure timely resolution of workplace issues.
- Support employee wellness and workplace engagement programs.

Compensation & Benefits

- Conduct compensation and benefits research to support competitive salary structures, pay practices, and remuneration decisions.
- Monitor market trends and best practices in compensation and employee benefits.
- Support the review and development of salary structures and pay bands.
- Coordinate employee enrolment and administration of medical, WIBA, life insurance, pension, and other employee benefit schemes.
- Coordinate addition and deletion of employees from benefit schemes and ensure timely submission of relevant documentation.
- Review and resolve employee queries and grievances relating to medical and other employee benefits.
- Work with Finance and benefit providers to validate premiums and ensure timely payments.
- Partner with wellness teams to develop employee health, wellbeing, and welfare programs.

Occupational Health & Safety

- Support the implementation and maintenance of occupational health and safety systems in accordance with organizational policies and applicable legislation.
- Conduct workplace inspections to identify hazards and recommend appropriate corrective and preventive measures.
- Support risk assessments and implementation of workplace safety controls.
- Assist in investigating workplace accidents, incidents, and employee injuries and recommend corrective actions.
- Support the development, implementation, and review of OSH policies, procedures, and programs.
- Promote employee awareness and compliance with workplace health and safety requirements.
- Provide guidance on safety matters including machinery use, workplace hazards, noise exposure, emergency procedures, and preventive measures.
- Support the maintenance of first-aid facilities and other workplace safety resources.

HR Administration & Reporting

- Prepare weekly, monthly, and ad hoc HR reports for management decision-making.
- Maintain HR trackers covering recruitment, headcount, turnover, attendance, leave, performance, training, disciplinary cases, contracts, and employee benefits.
- Analyse HR data and identify trends, gaps, risks, and opportunities for improvement.
- Provide management with timely HR updates and practical recommendations.
- Maintain confidentiality and integrity of all employee and organizational HR information.
- Coordinate employee exit interviews and analyse exit trends to support retention and organizational improvement.

KEY ACHIEVEMENTS / VALUE DELIVERED

- Strengthened end-to-end recruitment processes to improve the quality, efficiency, and timeliness of hiring.
- Improved onboarding and induction processes to support faster and smoother integration of new employees.
- Strengthened performance management and appraisal processes through structured objective setting, reviews, probation assessments, and PIPs.
- Improved HR policy compliance and employee documentation through effective monitoring and record management.
- Enhanced employee relations through fair and consistent management of disciplinary cases and grievances.
- Supported management in maintaining positive labor and industrial relations while minimizing employee relations risks.
- Improved payroll accuracy through effective verification of employee data, attendance, payroll inputs, and employee changes.
- Strengthened employee benefits administration and timely enrolment of employees into relevant benefit schemes.
- Improved HR reporting and data management to support evidence-based management decision-making.
- Supported employee engagement, welfare, training, and development initiatives aimed at improving productivity and retention.
- Promoted a culture of accountability, professionalism, compliance, fairness, and continuous improvement.

PEOPLELINK CONSULTANTS LIMITED (Kamongo waste papers Kenya Limited) Jan 2024- May 30th 2026 **Human Resource officer**

Overall, Purpose: *Responsible for helping the company in managing all aspects of Human Resources practices and supervisory processes for the company.*

HR Records & Documentation

- Maintain accurate and confidential employee records, including personnel files, employment contracts, leave documentation, job descriptions, disciplinary records, and other employment-related documents.

- Develop and maintain efficient manual and electronic HR filing and retrieval systems.
- Ensure employee records are regularly updated and comply with applicable employment legislation, statutory requirements, company policies, and data-protection standards.
- Conduct periodic personnel file audits to identify missing, expired, or incomplete documentation.
- Maintain an up-to-date employee database and HR information management system.

Leave Management & Attendance

- Administer annual leave, sick leave, compassionate leave, maternity/paternity leave, off days, and other authorized absences.
- Monitor employee attendance, punctuality, absenteeism, and timekeeping.
- Prepare leave, attendance, absenteeism, and workforce reports for management review.
- Monitor compliance with organizational leave and attendance policies.
- Advise employees and managers on leave entitlements and applicable procedures.
- Identify attendance trends and recommend corrective measures where necessary.

Employee Relations & Engagement

- Promote positive employer–employee relationships and maintain a professional and productive workplace environment.
- Handle employee grievances, complaints, workplace concerns, and interpersonal conflicts in a fair and confidential manner.
- Provide guidance to managers and employees on HR policies, employee rights, workplace conduct, and employment procedures.
- Support employee engagement, motivation, recognition, and welfare initiatives.
- Conduct employee satisfaction and engagement surveys and develop recommendations based on findings.
- Support management in maintaining a positive organizational culture and high employee morale.

Recruitment & Selection

- Coordinate the complete recruitment cycle, from manpower requisition and vacancy advertising to sourcing, screening, interviewing, selection, reference checks, offer negotiation, and placement.
- Develop and maintain talent pipelines for critical and high-volume positions.
- Partner with hiring managers to identify staffing requirements and establish appropriate recruitment strategies.
- Coordinate interview schedules and participate in candidate assessments and selection panels.
- Prepare interview questions, evaluation forms, and candidate assessment tools.
- Conduct reference checks and employment verification before appointment.
- Coordinate offer letters, employment contracts, pre-employment documentation, and joining formalities.
- Ensure recruitment processes are fair, transparent, merit-based, and compliant with employment legislation.
- Maintain an updated recruitment database and recruitment activity reports.

- Develop job descriptions, person specifications, scopes of work, and terms of reference in consultation with departmental managers.

Onboarding & Employee Induction

- Coordinate comprehensive onboarding and induction programmes for new employees.
- Ensure new employees complete all required employment documentation before or upon joining.
- Coordinate orientation programmes covering company policies, procedures, organizational culture, benefits, and workplace expectations.
- Work with department heads to ensure new employees have the necessary equipment, access, workstations, and resources.
- Monitor employee integration during the probation period and coordinate probation reviews.

Performance Management

- Coordinate the organization's performance management and appraisal processes.
- Develop and monitor performance objectives, KPIs, targets, and performance evaluation schedules.
- Support managers in setting SMART performance objectives aligned with organizational goals.
- Coordinate periodic performance reviews and ensure timely completion of appraisal documentation.
- Identify underperformance and support managers in implementing Performance Improvement Plans (PIPs).
- Provide guidance to managers on performance management, coaching, feedback, and corrective action.
- Analyze performance appraisal results and identify organizational training and development needs.

Learning & Development

- Conduct training needs assessments in collaboration with departmental managers.
- Develop and coordinate employee training and development programmes.
- Identify internal and external training opportunities based on organizational and individual development needs.
- Coordinate training schedules, facilitators, venues, materials, attendance, and evaluations.
- Maintain accurate training records and monitor employee development plans.
- Evaluate training effectiveness and recommend improvements.
- Support career development, succession planning, coaching, mentoring, and talent development initiatives.
-

Employee Relations & Disciplinary Management

- Manage employee disciplinary processes in accordance with company policies and applicable employment legislation.
- Issue and coordinate show-cause letters, invitations to disciplinary hearings, warning letters, and other appropriate HR correspondence.
- Conduct disciplinary investigations and ensure employees are given a fair opportunity to respond to allegations.
- Coordinate disciplinary hearings and maintain accurate records of proceedings and outcomes.
- Advise management on appropriate disciplinary action based on company policy and applicable labour laws.
- Monitor disciplinary trends and recommend preventive measures.
- Ensure disciplinary processes are consistent, fair, objective, and properly documented.

HR Policy Development & Implementation

- Develop, review, update, and implement HR policies, procedures, guidelines, and employee handbooks.
- Ensure HR policies remain aligned with organizational objectives and applicable labour legislation.
- Communicate HR policies and procedures effectively to employees and management.
- Monitor policy compliance and recommend corrective action where gaps are identified.
- Support management in developing HR strategies that improve employee productivity and organizational effectiveness.

Payroll & Compensation Administration

- Provide accurate and timely HR inputs to the payroll process, including new hires, exits, salary changes, allowances, deductions, leave, overtime, and other employee changes.
- Review payroll reports and identify discrepancies for correction before payroll processing.
- Maintain accurate employee remuneration and benefits records.
- Support salary reviews, salary adjustments, promotions, and contract renewals.
- Administer employee benefits and respond to employee queries relating to remuneration and benefits.
- Support the preparation of compensation and benefits reports for management.

Statutory & HR Compliance

- Ensure compliance with applicable employment legislation, statutory regulations, and organizational HR policies.
- Maintain accurate records relating to statutory deductions, employee contracts, leave, disciplinary actions, and other employment matters.
- Support statutory reporting and compliance requirements relating to employee administration.

- Monitor changes in employment legislation and advise management on their potential impact on HR practices.
- Conduct HR compliance audits and recommend corrective measures.

HR Information Systems & Reporting

- Maintain and update HRIS and other employee information management systems.
- Ensure accuracy and integrity of employee data within HR systems.
- Generate HR reports covering headcount, turnover, recruitment, absenteeism, leave, performance, disciplinary cases, and employee movements.
- Prepare monthly and periodic HR management reports to support decision-making.
- Maintain HR dashboards and workforce analytics where applicable.
- Use HR data to identify trends and recommend practical workforce solutions.

Workforce Planning & Talent Management

- Support workforce planning and manpower budgeting in line with business requirements.
- Conduct headcount analysis and identify staffing gaps and workforce requirements.
- Support succession planning and identification of critical roles.
- Develop and maintain talent pools for key organizational positions.
- Support internal mobility, promotions, transfers, and career development initiatives.
- Assist management in optimizing workforce productivity and staffing levels.

Employee Welfare & Wellbeing

- Coordinate employee welfare initiatives and workplace support programmes.
- Address employee welfare concerns and facilitate appropriate support where required.
- Coordinate staff welfare activities, recognition programmes, employee celebrations, and engagement initiatives.
- Support initiatives promoting employee wellbeing, work-life balance, and a positive workplace environment.
- Liaise with relevant service providers on employee welfare and benefit matters.

Contract Management

- Prepare, issue, renew, and maintain employment contracts and contract-related documentation.
- Monitor contract expiry dates and coordinate timely renewals or employment decisions.
- Ensure employees receive appropriate documentation relating to promotions, transfers, salary reviews, extensions, and changes in employment terms.
- Maintain an accurate contract tracking database.

Employee Separation & Exit Management

- Coordinate employee resignations, terminations, retirements, redundancies, and other forms of separation.

- Conduct exit interviews and analyze feedback to identify employee retention and workplace improvement opportunities.
- Coordinate clearance processes, final documentation, return of company property, and exit formalities.
- Ensure employee files are properly updated and archived upon separation.
- Prepare employee separation and turnover reports for management.

Health, Safety & Employee Support

- Support implementation of workplace health, safety, and employee welfare initiatives.
- Coordinate employee communication on workplace safety requirements and organizational standards.
- Maintain appropriate records relating to workplace incidents and employee welfare matters.
- Work with management to promote a safe, respectful, and inclusive working environment.

HR Advisory & Management Support

- Provide professional HR advice to management and line managers on employee-related matters.
- Participate in management meetings and provide HR insights on workforce and employee relations issues.
- Support organizational restructuring, change management, and implementation of new HR initiatives.
- Provide guidance on employee policies, contracts, performance, discipline, recruitment, and workplace relations.
- Prepare HR reports, presentations, correspondence, and management briefs.
- Maintain strict confidentiality when handling sensitive employee and organizational information.

HR Strategy & Continuous Improvement

- Contribute to the development and implementation of HR strategies aligned with overall business objectives.
- Review HR processes and recommend improvements to increase efficiency, compliance, and employee satisfaction.
- Introduce practical HR systems and procedures that improve employee service delivery.
- Monitor HR key performance indicators and recommend actions based on trends and business requirements.
- Support organizational development initiatives aimed at improving productivity, employee retention, and overall business performance.
