PROFESSIONAL SUMMARY

Detail-oriented HR professional with hands-on experience across HR administration, data maintenance, internal audit, and compliance. Skilled at maintaining accurate employee records, supporting payroll-adjacent reporting, and documenting the policies, procedures, and SOPs that keep HR systems and processes audit-ready — skills built directly through internal audit manual development and internal control monitoring. Comfortable coordinating onboarding data entry and system setup across teams, with a strong foundation in statutory compliance, confidentiality, and process accuracy — well suited to a multi-country HR systems, reporting, and compliance role.

PROFESSIONAL EXPERIENCE

Internal Audit Assistant

Oct 2024 – Present

Kaiser Consultancy LLP — Nairobi, Kenya

- Drafted, reviewed, and updated internal audit policies and procedures as part of developing and maintaining an Internal Audit Manual — directly transferable to documenting SOPs and user guides for HR tools and systems.
- Monitored internal controls through tests and reviews, safeguarding assets and ensuring the accuracy of financial and operational records — the same rigor required for payroll accuracy and HRIS data integrity.
- Contributed to quarterly internal audit reports for the Board, communicating findings and recommendations clearly for non-specialist stakeholders.
- Monitored compliance with statutory obligations, organizational policies, and donor requirements for international funding, mirroring the compliance and statutory-reporting focus of an HR function.
- Collaborated with external auditors, supported audit and risk management training material development, and facilitated training sessions — comparable to training staff on internal systems and processes.

Internal Control Intern

Feb 2024 – Sep 2024

African Guarantee Fund — Nairobi, Kenya

- Supported Enterprise Risk Management initiatives and compliance management activities, contributing to organizational risk and compliance culture.
- Analyzed client needs and supported delivery of Human Resource solutions as part of engagement teams.
- Coordinated schedules and activities for the Group Chief Internal Controller and organized kick-off/debrief meetings, producing Engagement Review Forms.
- Participated in the review and amendment of the Code of Ethics and Conflict of Interest manuals, and facilitated a roundtable introducing a new compliance framework.

Human Resource Attaché

Sep 2023 – Feb 2024

Anti-Counterfeit Authority — Nairobi, Kenya

- Coordinated end-to-end recruitment — job postings, resume screening, and interview scheduling — reducing time-to-hire by 15%.
- Maintained accurate, confidential employee records ensuring 100% compliance with relevant labor laws and regulations.

- Supported onboarding, training, and benefits administration for new and existing staff, including data entry and setup for new hires.
- Assisted in performance management and employee relations initiatives to foster a positive work environment.

Human Resource & Administrative Intern

Jun 2022 – Sep 2022

Kenya Women Finance Trust — Nairobi, Kenya

- Contributed to the maintenance of Human Resources Information System (HRIS) data, supporting record accuracy across the employee database.
- Supported recruitment processes, candidate communication, and interview scheduling.
- Managed administrative tasks including correspondence, record-keeping, and general HR inquiries.
- Coordinated training sessions and assisted with logistical arrangements.

Counseling Psychologist Intern

Sep 2022 – Dec 2022

Mathari National Teaching & Referral Hospital — Nairobi, Kenya

- Organized and maintained confidential patient files and scheduled therapy appointments, applying the same standards of accuracy and confidentiality valued in employee record-keeping.
- Led group therapy sessions and provided individual counseling for outpatient adolescents; developed and updated individualized treatment plans based on ongoing assessment.
- Assessed children for neurodevelopmental disorders using standardized tools and conducted psychoeducation sessions for patients and families.

ADDITIONAL EXPERIENCE

- Data Entry Clerk, Huduma Namba Program (2019) — Processed over 500 records daily with high accuracy and efficiency.
- Part-time Tutor, Imani Educational Centre (2019) — Delivered academic tutoring contributing to a 20% average improvement in student performance.
