I have ability to maintain confidential employee information, coordinate human resource processes and provide administrative support in compliance with organizational policies and labour regulations.

### **TECHNICAL SKILLS**

- Microsoft Office Suite (Word, Excel, PowerPoint)
- HRIS Systems
- Payroll Preparation
- Data Analytics
- Artificial Intelligence Tools

### **PROFESSIONAL EXPERIENCE**

#### **Human Resource Officer – Stemcore Merchants Limited**

Kericho-Kenya | 02 December 2024 – Present

- Manage the full recruitment cycle for both office staff and operational staff (drivers, loaders, warehouse personnel).
- Facilitate seamless onboarding for new hires, including induction on company policies and safety protocols.
- Act as the first point of contact for employee grievances and disciplinary matters, ensuring fair and consistent application of company policy.
- Manage the employee lifecycle, including probation, confirmation of employment, promotions and exit procedures.
- Assist in the preparation and processing of the monthly payroll for over 200 employees.
- Ensure statutory deductions (SHIF, NSSF, PAYE and Housing Levy) are accurately calculated and remitted on time.
- Administer staff benefits such as medical insurance, group life insurance and WIBA (Work Injury Benefits Act) claims.
- Maintain accurate and confidential employee records (both physical and digital).
- Identify training needs in collaboration with departmental heads.
- Coordinate training sessions, particularly regarding safety compliance and customer service for the logistics team.
- Track employee performance appraisals and probationary reviews.

## **Human Resource Assistant – iProcure Limited**

Nairobi-Kenya & Uganda | 01 April 2020 – 30 November 2024

- Coordinated recruitment activities including candidate profiling, long-listing and interview scheduling to improve recruitment efficiency.
- Supported new hires through onboarding and followed up with them regularly to check on how they were adjusting to the workplace.
- Supported leave management processes and prepared departmental leave utilization reports.
- Handled disciplinary and employee relations matters in compliance with Kenyan and Ugandan labour laws.
- Prepared payroll inputs and coordinated payroll processing for over 300 employees across two countries.
- Managed onboarding and offboarding processes through HRIS systems and maintained accurate employee records.
- Supported performance management reviews and probation assessment processes.
- Monitored employee lifecycle activities including contract renewals and staff confirmations.
- Responded to HR-related staff inquiries and ensured timely administrative support.
- Perform any other task assigned by the supervisor.
