PROFESSIONAL SUMMARY

HR and Administrative professional with over 9 years of experience in HR support, administration, operations, and customer service. Experienced in recruitment coordination, onboarding, employee records management, leave administration, HR reporting, and policy compliance. Associate Member of the Institute of Human Resource Management (IHRM) with a Higher Diploma in Human Resource Management. Recognized for strong organizational skills, attention to detail, confidentiality, and delivering efficient administrative support in fast-paced environments.

WORK HISTORY

CONTACT CENTRE AGENT

PATHCARE KENYA

📅 April 2024- Present

Customer Service & Communication

- Managed high-volume **inbound and outbound calls**, providing accurate information on test availability, preparation requirements, pricing, and turnaround times (TAT).
- Coordinated service delivery across 55 branches nationwide to ensure operational efficiency.
- Followed up on test results and escalated urgent or critical cases to appropriate departments in a timely manner.
- Proactively communicated service delays to patients and partner facilities to manage expectations and maintain client satisfaction.
- Resolved patient inquiries, complaints, and feedback professionally while maintaining strict confidentiality standards.

Coordination & Operational Support

- Scheduled and coordinated home and office sample collections to ensure timely service delivery.
- Managed courier logistics, ensuring proper pickup, tracking, and transportation of laboratory samples.
- Coordinated international sample shipments via DHL in compliance with medical shipping and regulatory protocols.
- Collaborated with laboratory staff, couriers, and phlebotomists to streamline workflow and improve service efficiency.
- Escalated complex clinical and technical inquiries to relevant specialists for resolution.

Billing, Systems & Documentation

- Processed insurance pre-authorizations, billing documentation, and claims submissions accurately.
- Maintained detailed and accurate records of all client interactions within CRM and Laboratory Information Systems (LIS).
- Ensured data accuracy, compliance, and proper documentation in line with internal policies and regulatory requirements.

Performance, Reporting & Quality Assurance

- Monitored turnaround time (TAT) reports and provided updates to clients and internal stakeholders.
- Consistently achieved call quality, response time, and customer satisfaction KPIs. Identified upselling opportunities for wellness packages and diagnostic services, contributing to revenue growth.
- Participated in service improvement initiatives and continuous training programs to enhance operational performance.

HR ASSISTANT (PART TIME)

VANTAGE AFRICA SCHOOL OF LEADERSHIP

📅 Jan 2024-March 2024

- Supported end-to-end recruitment activities, including drafting job advertisements, posting vacancies, screening applications, shortlisting candidates, coordinating interviews, conducting reference and background checks, preparing offer documentation, and facilitating onboarding.
