PROFILE

HR professional with a Bachelor's degree in Human Resource Management and practical experience in recruitment, onboarding, employee records and leave management, gained through my current role as Human Resource Associate at Code Breeze and an earlier HR internship. Skilled in supporting recruitment processes from job advertisement through to onboarding, maintaining accurate employee records and personnel files, and handling routine employee relations matters with discretion and professionalism. Comfortable coordinating with different departments independently, applying good judgement to workplace policy and compliance matters, and resolving day-to-day HR issues before they escalate. Known for strong organisational and communication skills, sound confidentiality practices, and a genuine commitment to supporting a well-run HR function.
