WORK EXPERIENCE

HR Administrator (Graduate Internship) | Wits Health Consortium | Johannesburg, GP

March 2023 – February 2025

HR administration across two donor-funded public health programmes (Key Populations & Schools Based), supporting 300+ active staff across multiple districts.

- Executed 600+ pre-employment background screenings and reference verification checks using HPCSA, MIE, SANC, UN and SAM.gov platforms, maintaining 100% annual verification compliance.
- Collected, verified and chased reference and compliance documentation for 300+ personnel, maintaining accurate audit trails across all files.
- Supported end-to-end recruitment coordination, including job advertisement drafting, CV screening, screening calls and interview coordination, for 300+ personnel.
- Sat on interview panels for the majority of the 300+ recruitment placements and independently chaired one candidate interview, with the senior HR Officer present in an oversight capacity.
- Managed onboarding documentation and training records, ensuring a seamless transition for incoming staff.
- Compiled weekly HR and recruitment reports and statistical data extracts for management review, tracking candidate pipeline and operational progress.
- Administered HR support across the full employee lifecycle for 300+ personnel, including movement lists, contract extensions, probation reviews and offboarding.
- Achieved 100% audit compliance across 500+ personnel files through systematic statutory and compliance documentation checks aligned with BCEA, EEA and UIF requirements.
- Maintained accurate digital personnel records via SharePoint, ensuring data integrity and accessibility across 500+ employee files.
- Independently processed 200+ terminations, preparing UI19 forms, Certificates of Service and salary schedules.
- Drafted employment contracts, offer letters and salary schedules under senior HR Officer direction, supporting new engagement documentation for incoming staff.

- Coordinated multi-district stakeholder liaison via MS Teams, engaging remote and low-network personnel across multiple districts.
- Organised disciplinary hearing packs and misconduct documentation, supporting HR compliance and audit-readiness.
- Co-coordinated staff engagement and wellness events across combined HR teams.
