PROFESSIONAL SUMMARY

Human Resource and Administration professional with over seven (7) years of progressive experience in HR operations, employee relations, recruitment and selection, onboarding, employee records management, leave and attendance administration, performance management, disciplinary and grievance processes, employee support and HR reporting.

Experienced in providing hands-on HR support to employees and management, responding to employee queries and workplace concerns, coordinating recruitment and onboarding activities, maintaining accurate employee records, managing leave and attendance information, supporting performance management and implementing HR policies and procedures.

Skilled in supporting employee relations, disciplinary and grievance processes, resolving workplace concerns through effective communication and appropriate documentation, and maintaining confidentiality when handling sensitive employee information. Experienced in preparing HR reports, workforce information and employee documentation to support management decision-making and effective HR operations.

Knowledgeable in HR practices, workplace policies, employment-related procedures and statutory HR requirements, with experience supporting compliance through accurate documentation, record keeping and implementation of established HR processes.

Proficient in Microsoft Excel, Microsoft Word, Microsoft PowerPoint, HR Information Systems (HRIS) and payroll administration systems, with strong attention to detail and experience in HR data management, employee records and reporting.

Strong communication, interpersonal, organizational, problem-solving and time-management skills, with a high level of integrity, professionalism, confidentiality and commitment to effective employee support.

PROFESSIONAL EXPERIENCE

Human Resource Officer (HR Generalist)

Woodnork Green
March 2021 – July 2026

- Provide day-to-day HR and administrative support to employees and management, responding to employee queries, workplace concerns and routine HR matters.
- Support employee relations by addressing employee concerns, workplace issues and HR matters while facilitating effective and professional communication between employees and management.
- Support disciplinary and grievance processes through proper documentation, communication, record keeping and coordination of required HR procedures.
- Maintain accurate and confidential employee records, personnel files, employment contracts, HR databases and other HR documentation.
- Coordinate employee attendance and leave administration, maintain accurate records and provide relevant workforce information to management.
- Support management in addressing attendance, leave and employee administration matters through accurate records, timely follow-up and appropriate HR procedures.

- Support recruitment and selection activities, including candidate screening, candidate communication, interview scheduling, selection documentation and coordination of recruitment processes.
- Coordinate employee onboarding, induction and orientation, ensuring completion of required documentation and smooth integration of new employees.
- Support employee performance management and appraisal processes through documentation, coordination, monitoring and follow-up.
- Support implementation and administration of HR policies, procedures and workplace processes in line with organizational requirements.
- Prepare HR reports, workforce information, employee data, correspondence and management updates to support HR decision-making and effective workforce administration.
- Respond to employee enquiries and provide professional, timely and confidential support on HR, employee relations and workplace matters.
- Support employee engagement and welfare activities and assist in addressing employee concerns in a professional and constructive manner.
- Coordinate employee training and development activities, including communication, scheduling, attendance and related documentation.
- Prepare, maintain and update employment contracts, HR letters and other employee documentation.
- Coordinate employee separation and offboarding activities, including clearance, documentation, exit processes and filing.
- Maintain organized electronic and physical HR records and ensure confidential employee information is appropriately managed.
- Prepare and maintain workforce data and reports to support management decision-making and day-to-day HR operations.
- Work collaboratively with employees, management and other departments to address HR and administrative issues and support smooth business operations.
