PROFESSIONAL EXPERIENCE

People & Culture Assistant

June 2025 – Present

Mogo Auto Limited

- Deliver end-to-end HR operational support for over 1,700 employees, ensuring efficient people processes, regulatory compliance and a positive employee experience.
- **Recruitment & Selection:** Draft and publish job adverts, source candidates, screen CVs and shortlist, coordinate and conduct interviews, carry out reference checks, prepare offers and maintain recruitment trackers for vacant positions.
- **Onboarding & Employee Lifecycle:** Prepare contracts and offer letters, run onboarding and induction and track probation and confirmation; process transfers, promotions, redeployments, contract renewals and exits with complete, accurate documentation.
- **HR Records & HRIS:** Maintain personnel files, employee databases and staff movement records, and keep employee data current in Seamless HR, ERP, Zoho and Sage HRIS with accuracy and confidentiality; conduct regular personnel file audits to ensure compliance readiness.
- **Payroll & HR Inputs:** Assist in compiling monthly payroll inputs- attendance, leave, overtime, allowances, deductions, new hires, exits and salary changes and assist to resolve payroll queries with the payroll officer and finance.
- **Leave & Attendance:** Administer leave and maintain leave balances; monitor attendance, absenteeism and lateness and verify timesheets to support accurate payroll and follow-up.
- **Employee Relations & Disciplinary processes:** receive and log grievances, assist to advise line managers, coordinate investigations and evidence gathering, issue show-cause letters, schedule and facilitate disciplinary hearings, prepare minutes, outcome letters and warnings, handle appeals and escalate complex cases and track timelines to closure ensuring fair, consistent, policy- and Employment Act-compliant outcomes.
- **Performance Management:** Coordinate probation reviews and appraisals, track KPIs, support performance improvement plans and maintain performance documentation to inform confirmations and succession planning.
- **Compensation & Benefits:** Administer medical insurance, pension and group life enrolments, updates and employee inquiries within required timelines; support benefits administration and salary-review exercises.
- **WIBA & OSHA Compliance:** Coordinate workplace injury and compensation cases, managing WIBA and OSHA documentation, liaising with internal and external stakeholders and monitoring claim progress to ensure statutory compliance and timely follow-up.
- **Training & Development:** Assess training needs, assist to develop training schedules, assist to coordinate trainings and induction, track attendance and maintain learning records to support L&D programmes.

- Key impact: Improved HR records and compliance readiness by strengthening personnel-file documentation and conducting regular file audits across a 1,700+ employee workforce.
