EXECUTIVE PROFILE

Human Resources generalist with approximately seven years of progressive people-management and administrative experience across engineering/construction-linked operations, multi-site retail healthcare, and mission/non-profit environments. Experience spans the full employee lifecycle: workforce planning, recruitment, onboarding, employee relations, disciplinary and grievance management, performance management, learning and development, engagement, HR policy, HR operations, attendance and leave administration, and statutory/labour-law compliance. Brings hands-on HR leadership experience at manager level, strong line-manager advisory capability, and a practical approach to building disciplined, compliant and people-centred workplaces. Particularly effective in operational environments requiring sound judgement, documentation, stakeholder management and rapid resolution of workforce issues.

PROFESSIONAL EXPERIENCE

Human Resources Manager — ISM Africa Limited

Sep 2025 – May 2026

Group/operational HR support across engineering, construction-related and renewable-energy business operations.

- Led day-to-day HR management across the employee lifecycle, partnering with business and operational leaders on staffing, performance, employee relations, attendance, leave, conduct and workforce administration.
- Managed complex employee-relations matters including show-cause processes, investigations, disciplinary hearings, warnings, probation cases, absenteeism/attendance issues and separation documentation, with emphasis on procedural fairness and Kenyan employment-law compliance.
- Developed and communicated HR policies, memos and operating controls covering attendance, leave administration, sick leave, statutory matters, data protection, workplace conduct, health & safety, quality and employee facilitation.
- Supported recruitment, onboarding, probation management and employee exits, strengthening documentation and manager accountability across the employment cycle.
- Administered and reinforced digital attendance and leave workflows through WorkPay, improving visibility of attendance, punctuality and leave controls.
- Advised managers on people-risk decisions and maintained HR records and case documentation required for defensible, consistent HR practice.

Sep 2021 – Aug 2025

Human Resources Officer — Goodlife Pharmacy Limited

HR operations and business partnering within a fast-growing, multi-site East African retail pharmaceutical environment.

- Delivered HR support across multiple branches and business functions, covering recruitment, onboarding, employee relations, learning and development, engagement, performance support and day-to-day HR advisory.
- Handled employee-relations and disciplinary casework across retail locations, coordinating investigations, hearings, documentation and management guidance while promoting consistency and procedural fairness.
- Supported talent acquisition from requisition and candidate screening through interviews, selection, onboarding and branch deployment for operational roles.
- Designed and coordinated employee-engagement and recognition initiatives, including staff tournaments, in-house activities, wellbeing/mental-health engagement and recognition-voucher programmes.
- Supported training and development interventions and SOP refresh initiatives aimed at strengthening capability, service standards and operational consistency.
- Partnered with branch and functional managers on staffing, employee welfare, performance concerns and workforce issues in a geographically distributed operating model.

Human Resources Apprentice / Administrator — ACK Diocese of Marsabit

Foundational HR and administration experience in a mission and diocesan environment.

- Supported staff administration, personnel records, correspondence and routine HR processes in a geographically dispersed organisation.
- Provided administrative coordination alongside programme and ministry teams, building early capability in stakeholder service, records discipline and people support.

SELECTED LEADERSHIP IMPACT

- Progressed from HR operational roles into Human Resources Manager responsibility, combining hands-on case management with policy, manager advisory and workforce governance.
- Built substantial multi-site employee-relations exposure across retail and operational environments, including investigations, disciplinary processes, attendance management and performance-related interventions.
- Led and supported employee engagement, learning, recognition and wellbeing initiatives designed to strengthen culture and employee experience.
- Earlier leadership experience includes chairing a large university Christian Union and introducing a weekly outreach initiative associated with Sunday fellowship attendance reaching 1,500 students at a single gathering.
