PROFESSIONAL EXPERIENCE

ABYSSINIA GROUP OF INDUSTRIES (AGI) — Nairobi, Kenya

HR Clerk | September 2026 – Present
HR Intern | March 2026 – September 2026

- Support HR operations for a workforce of **600+ casual labourers and 200+ regular employees**, maintaining accurate employee records and providing day-to-day HR support across departments.
- Maintain and update employee personnel files, employment contracts and HR information in the HRMS, ensuring records are accurate, confidential and readily available when required.
- Support recruitment activities by screening candidates, coordinating interviews, assisting with selection and preparing employment documentation.
- Coordinate employee onboarding, orientation and induction and ensure completion of required employee documentation.
- Prepare employment contracts, confirmation letters, notice-period amendment addenda and other HR correspondence in line with company policies and employment requirements.
- Monitor employee probation periods and prepare confirmation documentation upon successful completion.
- Prepare and process weekly payroll for **600+ casual labourers** by verifying timesheets, attendance, hours worked, overtime, allowances and deductions.
- Review attendance and payroll information against system-generated reports, identify discrepancies and follow up on corrections to support accurate and timely payroll processing.
- Review salary advance applications, verify employee eligibility and approvals, update payroll records and monitor repayment deductions.
- Respond to employee HR requests and support departments with HR-related matters assigned by the HR Manager, ensuring issues are followed up through the appropriate HR processes.
- Maintain HR reports and supporting documentation and assist with internal HR audit and compliance queries.
- Draft and issue show-cause letters and provide administrative support during disciplinary processes in line with company procedures and applicable labour requirements.
- Conduct exit interviews and document employee feedback to support employee relations and workplace improvement.
- Develop and maintain job descriptions covering roles, responsibilities, required competencies and Key Performance Indicators (KPIs) to support effective performance management.
- Monitor labour and manpower vendor compliance by reviewing employee records, contracts, wage requirements, attendance, timesheets, payroll documents, statutory records and occupational health and safety documentation.
- Review vendor workforce lists and supporting records to verify compliance with contractual and legal requirements and follow up on missing or non-compliant documentation.
- Review vendor invoices against approved employee records, attendance and contractual requirements and raise discrepancies for clarification.
- Support compliance with the Employment Act, 2007, company HR policies, labour requirements and occupational health and safety standards.
- Handle and monitor **100+ immigration and visa-related applications**, including work permits, special passes, dependent passes, student passes and permanent residence applications through the eFNS portal.

- Process Kenya eTA and Uganda electronic visa applications and interstate passes through eCitizen, ensuring applications are properly submitted and followed up.
- Liaise with relevant government offices, including Nyayo House, and follow up on immigration applications to support timely processing and regulatory compliance.
- Coordinate employee travel arrangements, including flight bookings for annual leave and business-related travel.
- Provide administrative support to the HR Manager and HR team, including responding to routine employee queries, scheduling appointments, maintaining calendars and following up on assigned HR matters.
- Support continuity of HR operations by working alongside colleagues to cover key HR responsibilities during the HR Manager's leave and external plant visits.

DAPPER CLASIQUE WEAR — Nairobi, Kenya

Sales Associate | March 2025 – June 2025

- Built positive customer relationships through clear communication and professional service.
- Handled customer concerns and resolved issues professionally, developing practical conflict-resolution and problem-solving skills.
- Worked with team members and supported the training of new staff.
- Adapted communication to different customer needs while maintaining a positive customer experience.

MINISTRY OF WATER, SANITATION AND IRRIGATION — Nairobi, Kenya

Human Resource Attaché | February 2024 – May 2024

- Organized and maintained employee records and HR documentation to support efficient filing and retrieval.
- Supported monthly payroll activities by preparing and verifying employee information.
- Organized digital employee records using Microsoft Excel, improving accessibility and record management.
- Assisted with routine HR administrative activities and maintained accurate employee information.
- Conducted routine office inspections to support workplace cleanliness, hygiene and general office standards.
