## PROFESSIONAL PROFILE

---

Highly organised and results-oriented professional with experience coordinating complex programmes, managing operational processes, financial administration, stakeholder engagement, and data-driven reporting within fast-paced corporate environments. Proven ability to manage multiple priorities, drive process improvements, maintain compliance, and deliver accurate reporting that supports business decision-making. Recognised for building strong cross-functional relationships, solving problems proactively, and ensuring the seamless execution of business initiatives. Brings a detail-oriented, analytical approach, strong commercial awareness, and a commitment to delivering operational excellence while adding measurable value to the organisation.

## PROFESSIONAL EXPERIENCE

---

**Smollan (Tigerbrands),** *Learning & Development Coordinator* 02/2026 – Present

- Oversee the end-to-end delivery of five concurrent learning and workforce development programmes, ensuring effective planning, implementation, stakeholder coordination, reporting, and successful programme execution.
- Coordinate Learning & Development initiatives across one business unit and six operational regions, managing programme schedules, learner logistics, communications, and operational delivery.
- Project manage the Smollan Graduate Programme, supporting the onboarding, development planning, stakeholder engagement, learner tracking, and career progression of three graduates.
- Coordinate the successful delivery of the 2026 UIF-funded learning programme, managing the onboarding, tracking, compliance, learner support, and programme administration of 300 learners.
- Support workforce upskilling initiatives designed to develop merchandisers into Field Managers while coordinating certification and licensing programmes that support employee career progression.
- Manage programme financial administration by coordinating learner transport allowances, stipend and salary-related payroll escalations, and ensuring accurate and timely learner payments throughout programme delivery.
- Produce and analyse weekly learning and compliance reports for 5,000+ employees, maintaining compliance completion rates above 95% and providing actionable insights to business stakeholders.
- Administer learning programmes through Gnowbe, maintaining learner records, monitoring programme progress, tracking completions, and ensuring audit-ready documentation.
- Coordinate key programme milestones, including learner onboarding, stakeholder review meetings, six-week programme check-ins, certification administration, and graduation events.
- Build strong relationships with business leaders, payroll, facilitators, learners, and internal stakeholders to ensure seamless programme delivery and an excellent learner experience.
- Develop learning materials, presentations, learner guides, communications, and programme documentation aligned with organisational capability requirements.
- Identify opportunities to improve learning processes, reporting, programme administration, and operational efficiency through continuous improvement initiatives.

**Nutun South Africa**

03/2025 – 01/2026

*Learning & Development Administrator / Skills Development Coordinator*

- Coordinated Learning & Development and Skills Development initiatives across business functions.

- Administered learner development programmes supporting over 100 learners through BBBEE-aligned and SETA-compliant programmes.
- Managed YES learner programmes and Skills Development initiatives supporting organisational transformation objectives.
- Provided end-to-end HR administration including onboarding, attendance management, contracts, leave administration, performance tracking, and learner support.
- Administered Learning Management Systems.
- Maintained learner records, assessments, compliance documentation, and Proof of Evidence (POE), contributing to audit scores ranging between 90% and 100%.
- Designed instructional materials and digital learning resources using Canva, Figma, Adobe Creative Suite, and Vyond.
