Professional Summary

Human Resources and Operations practitioner with 4 years of combined experience across HR administration, workforce data management, recruitment support, and compliance within corporate and public sector environments. Delivers structured personnel processes, accurate employee records, and reliable workforce reporting that supports day to day HR operations and regulatory compliance in Kenya. Adept at maintaining data integrity across high volume environments, strengthening HR documentation standards, and supporting end to end recruitment coordination. Poised to apply this expertise as a Human Resources Officer to strengthen employee master data controls, maintain audit ready personnel records, coordinate structured recruitment workflows from requisition to onboarding, and deliver accurate workforce reports that support HR planning and statutory compliance.

Core Competencies

- HR Operations Administration
- Personnel Records Management
- Recruitment Coordination
- HR Compliance Kenya Labour Law
- Leave and Attendance Administration
- HR Data Reporting and Analysis
- HRIS and Digital Record Keeping
- Audit and Data Accuracy Control
- Employee Relations Support
- Strategic Communication
- Cross Department Collaboration
- Team Coordination

Experience

Right Execution Daily Auditor

April 2023 to Current

NIELSEN IQ KENYA

Mandate: Appointed to support national retail measurement operations by auditing in store product data, validating inventory accuracy across assigned territories, and ensuring reliable market intelligence for client reporting and commercial decision making.

Key Achievements

- **Audited product availability and pricing** across an average of 8 retail outlets per day, validating more than 120 SKUs per visit and improving first pass data acceptance by the central quality team.
- **Resolved persistent SKU mismatches** by reconciling field entries against master product lists, eliminating repeat queries on key FMCG brands within assigned routes.
- **Delivered accurate on time submission of daily field reports** for the entire review period, preventing reporting delays for downstream analytics teams.
- **Built consistent access agreements with over 40 retail outlets**, reducing denied entry incidents and stabilizing monthly outlet coverage within the territory.
- **Strengthened field data reliability** by applying structured verification checks before submission, reducing supervisor flagged corrections across multiple audit cycles.

Human Resource Intern

June 2021 to March 2022

NATIONAL HOSPITAL INSURANCE FUND NHIF – WEBUYE

Mandate: Appointed to support the HR and administration office in maintaining accurate personnel records, coordinating recruitment documentation, and strengthening compliance with public sector HR procedures and Kenyan labour requirements.

Key Achievements

- **Consolidated and cleaned more than 300 employee personnel files**, correcting missing statutory documents and improving readiness for internal HR reviews.
- **Coordinated end to end interview logistics** for multiple vacancies, scheduling panels, preparing candidate packs, and ensuring complete documentation for hiring decisions.

- **Reviewed and updated job descriptions for priority roles**, aligning reporting lines and key responsibilities with departmental structures used during recruitment.
- **Resolved employee data inconsistencies** across leave records, personal details, and contract files, improving accuracy of the HR master records used by administration.
- **Produced weekly workforce status reports** for the Office Administrator, enabling closer monitoring of staff movements, leave balances, and recruitment progress.

Human Resource Attaché

March 2017 to June 2017

NEW KENYA COOPERATIVE CREAMERIES NEW KCC

Mandate: Appointed to support personnel administration and records management within the HR unit by organizing employee documentation, strengthening filing systems, and supporting internal HR coordination.

Key Achievements

- **Reorganized more than 200 physical personnel files** into a structured classification system, reducing average file retrieval time for HR officers during daily requests.
- **Maintained strict confidentiality controls** over employee records, supporting successful completion of routine internal compliance checks.
- **Coordinated document movement between HR, payroll**, and operations units, reducing processing delays for personnel actions requiring cross department input.
- **Supported internal staff communication exercises** by preparing distribution lists and document packs used during HR briefings.

Human Resource Volunteer

February 2016 to February 2017

PRUDENTIAL LIFE ASSURANCE

Mandate: Appointed to support HR administration and workforce record tracking by maintaining leave data, assisting with onboarding logistics, and preparing workforce summaries for management review.

Key Achievements

- **Administered leave and attendance records** for over 80 employees, improving visibility of staff availability for line supervisors.
- **Updated controlled HR policy documents** under guidance, ensuring working copies reflected current internal procedures.
- **Verified completeness of new hire documentation** before file activation, reducing follow up requests from the HR office.
- **Supported team led staff engagement activities** through attendance tracking and coordination, improving record keeping for internal HR programs.

Education

Bachelor of Commerce, Human Resource Management Kenyatta University	2021
Certificate in Leadership Development and Mentorship Kenyatta University	2019
Diploma in Human Resource Management Kenyatta University	2017
