OBJECTIVE

Results-driven professional with a proven track record of designing efficient work plans, optimizing project schedules, and driving measurable productivity improvements. Adept at leading cross-functional teams, streamlining processes, and delivering high-impact results in deadline-driven environments. A detail-oriented strategist with exceptional multitasking abilities, skilled in fostering team collaboration and operational excellence. Passionate about enhancing employee well-being and contributing to business growth through innovative solutions and strategic coordination.

EXPERIENCE

- Remote HR Administrator,** Jan 2024 - Aug 2025
A Better Life Homecare ,
- **Streamlined Talent Acquisition & Compliance:** Managed the end-to-end pre-employment process, including screening and processing applications via ApplicantStack. Executed accurate background checks (sex offender registry, OIG, nurse aide registry, reference checks) in strict adherence to company guidelines and tight deadlines, ensuring 100% compliance prior to onboarding.
 - **End-to-End Onboarding Management:** Orchestrated the onboarding process for a diverse workforce (caregivers, nurses, PCAs, office staff, physical therapists), meticulously tracking document submissions via Box and Google Sheets. Maintained real-time applicant status within Insightly CRM, ensuring all candidates met stringent document and background check requirements before hire.
 - **HRIS & Data Integrity:** Served as the system administrator for a suite of HR platforms, maintaining impeccable data integrity across Box, Streamline Verify, Home Care Pulse, and Ritiko. Proactively reviewed, updated, and audited employee records and documentation to ensure a single source of truth for the HR department.
 - **Payroll & Systems Administration:** Ensured timely and accurate salary processing by managing full payroll cycles, including processing reports from WellSky and Ritiko and executing precise uploads into the payroll system. Managed all employee lifecycle changes within the payroll system, including onboarding, offboarding, and auditing critical records such as W-4s, I-9s, and benefits elections.
 - **Strategic Reporting & Analytics:** Leveraged HR platforms to generate comprehensive reports and actionable insights, directly supporting leadership in strategic planning, workforce analysis, and data-driven decision-making.
 - **Process Improvement & HR Operations:** Led the coordination and execution of key cyclical HR processes, including probationary period reviews, annual performance evaluations, and internal audits of HR documents and training logs. Developed and presented actionable improvement recommendations that enhanced operational efficiency and audit readiness

- **Interdisciplinary Care Coordination:** Collaborated with healthcare professionals—including nurses, social workers, and physical therapists—via email, chat, calls, and Google Workspace to ensure seamless patient care delivery and accurate, timely documentation. Managed Allscripts communication to facilitate efficient information exchange across clinical teams.
- **Insurance & Authorization Management:** Cultivated and maintained strong relationships with insurance providers, including CCA, Mass Health, and HNE. Monitored and tracked client insurance details using Google Sheets, Forcura, Ritiko, and WellSky to ensure timely capture and resolution of policy changes and pre-authorization requests in strict accordance with insurer guidelines.
- **Scheduling & Field Workforce Coverage:** Ensured 100% coverage of weekly assigned visits for field employees—including nurses, physical therapists, patient care attendants, and caregivers—by meticulously reviewing and scheduling visits within WellSky and Ritiko, while verifying completion of all required documentation.
- **Performance Improvement & Regulatory Compliance:** Actively participated in the Performance Improvement Committee, contributing to the development and implementation of new processes, policies, and procedures designed to enhance workflow efficiency and uphold quality patient care standards. Prepared and delivered quarterly performance improvement reports aligned with CHAP and HIPAA regulatory guidelines, tracking measurable outcomes resulting from implemented initiatives. Attended home care administration and management conferences, applying insights to drive continuous organizational improvement.
- **Training, Development & Employee Lifecycle Support:** Trained and mentored new staff, and played a key role in training paraprofessionals on proper documentation aligned with care plans. Supported employee success by managing probationary period reviews and annual evaluations.

Jan 2022 - Aug 2022

Administrative Assistant
Meridian Equator Hospital ,
Nairobi

- **Client Complaint Resolution & Investigation:** Collaborated with relevant staff and the branch manager to investigate client complaints and concerns, processing each issue through to resolution while meticulously documenting all case facts to ensure transparency and accountability.
- **Process Improvement & Operational Efficiency:** Partnered with the branch manager to develop and implement new processes aimed at improving workflow and operational efficiency. Proactively optimized and streamlined administrative procedures to support the smooth operations of a medical group.
- **Patient Satisfaction & Support:** Collaborated with office staff to enhance patient support, contributing to a measurable increase in patient satisfaction rates. Assisted with appointment scheduling, rescheduling, and follow-up arrangements to ensure a seamless patient experience.
- **Strategic Collaboration & Reporting:** Attended management-led meetings, contributing actionable ideas and solutions .Prepared and submitted reports to support leadership visibility and decision-making.

- **Business Development & Opportunity**

Identification: Researched and identified new business opportunities to support organizational growth. Developed compelling quotes and proposals for clients and partners, effectively communicating value propositions to secure new engagements.

- **Social Media Management & Client Relationship**

Building: Managed company social media pages to enhance brand presence and foster strong, lasting relationships with clients. Engaged with audiences to drive engagement and reinforce customer loyalty

- **Hiring & Talent Acquisition:** Facilitated the full-cycle hiring process, collaborating with leadership to identify staffing needs and support the selection of qualified candidates aligned with organizational goals.

- **Client Engagement & Relationship Management:** Managed incoming and outgoing calls, arranged business meetings with prospective clients, and attended to walk-in clients. Resolved client inquiries promptly and professionally to ensure high levels of satisfaction.

- **Operational & Marketing Strategy**

Implementation: Carried out necessary planning to implement operational and marketing changes, ensuring seamless execution of strategic initiatives. Provided leadership in the development and execution of customer service strategies to elevate service delivery standards.

- **Training & Reporting Coordination:** Coordinated training sessions to support employee development and skill enhancement. Generated daily, monthly, and weekly reports to track performance, inform decision-making, and maintain operational visibility.

Customer Service Representative
I&M Bank Limited, Nairobi

July 2019 - Aug 2020

- **Cross-Selling & Needs-Based Consulting:** Cross-sold bank products by conducting thorough needs analyses for customers, recommending services and products tailored to their unique financial goals and circumstances.

- **Customer Engagement & Relationship**

Management: Marketed company products while handling clients in an effective, friendly, and professional manner. Managed a high volume of daily calls and emails in a fast-paced call center environment, addressing customer inquiries regarding services, products, and other concerns with efficiency and care.

- **Issue Resolution & Client Advocacy:** Escalated and resolved client concerns and complaints effectively, ensuring timely and satisfactory outcomes. Achieved consistently high quality call scores, reflecting elevated levels of customer satisfaction following resolution.

CRM Management & Communication: Registered client concerns in the CRM system with accuracy and precision, providing transparent updates on resolution progress—a practice that contributed directly to high levels of customer satisfaction.

- **Reliability & Operational Support:** Maintained a regular and reliable level of attendance and punctuality, demonstrating dependability and commitment to team and organizational goals.

Research Assistant Voices Africa, Nairobi

- **Survey Administration & Client Engagement:** Administered surveys via telephone calls, effectively gathering valuable client feedback while providing comprehensive information about company products and services to enhance client understanding and engagement
- **Data Management & Reporting:** Assisted in the compilation of detailed activity reports, ensuring accuracy and completeness. Performed precise data entry and maintained accurate records to support organizational reporting and decision-
- **Issue Identification & Escalation:** Proactively identified issues and concerns, escalating them promptly to supervisors to facilitate timely resolution and maintain service quality standards.
