WORK HISTORY

HR GENERALIST – UNIFI (2025 – To date)

Key Responsibilities

- Partner with managers and employees on employee lifecycle, performance, employee relations, recruitment, policy interpretation and other Human Capital matters.
- Coordinate end-to-end recruitment, including requisition management, job postings, candidate screening, interviews, reference checks, selection and onboarding, contributing to a reduction in time to fill.
- Delivered recruitment for 60+ positions within the year, predominantly frontline customer-service roles, alongside specialist positions across Operations, Finance, Audit, Learning and Quality functions.
- Support workforce planning and hiring requirements by working with managers to identify staffing needs, role requirements and recruitment timelines.
- Introduced greater structure to recruitment and onboarding timelines by aligning new-hire start dates with the organisation's two-week onboarding/training cycle.
- Manage employee onboarding, probation tracking, confirmation, contract renewals, employee changes and structured offboarding while maintaining compliance with Kenyan employment requirements.
- Maintain accurate employee records across physical files and HRIS, achieving 100% compliance during internal audits.
- Support the annual performance management cycle, including KPI setting, manager-employee performance discussions, 360-degree feedback and performance review administration.
- Advise managers on employee relations matters, including grievances, disciplinary cases, investigations, performance concerns and conflict resolution, while maintaining procedural fairness.
- Prepare and validate monthly payroll inputs covering attendance, leave, new hires, exits and salary adjustments before submission to Finance.
- Coordinate HR administration across employee lifecycle processes, ensuring required documentation, approvals and system workflows are completed within agreed timelines.
- Prepare HR reports and workforce information to support management decision-making, including recruitment, employee movements and termination trends.
- Support continuous improvement of HR processes, documentation and workflows to improve service delivery and employee experience.

HR OFFICER – INSECTIPRO LIMITED (Feb 2024 –2025)

Key Responsibilities

- Led the adoption of an HR Information System (HRIS), improving employee data accuracy, accessibility and operational efficiency.
- Supported internal and external HR audits by preparing documentation and ensuring compliance with statutory and organisational requirements.
- Designed and supported KPI-driven performance management frameworks to strengthen accountability and performance visibility.
- Collaborated with senior leadership during a significant organisational restructuring, supporting change management and employee transition activities.
- Spearheaded leadership development and skills-building initiatives aligned with organisational capability requirements.

- Supported HR policy implementation, employee relations and people-process improvement.

HR ASSISTANT - LATHYFLORA LIMITED (2023- 2024)

Key Responsibilities

- Supported talent acquisition activities, including job requisitions, recruitment coordination and hiring logistics.
- Coordinated new-hire orientation and compliance training, supporting effective onboarding and policy adherence.
- Supported implementation of performance appraisal processes and assisted line managers with regular performance evaluations.
- Maintained HR information systems and supported payroll inputs, leave administration and benefits enrolment while maintaining confidentiality.
- Supported workplace health, safety and employee welfare initiatives.
- Provided guidance to employees on HR policies and applicable labour regulations.
- Generated HR reports and dashboards for management to support people-related decision-making and monitoring of HR metrics.

HR OFFICER - NINI LIMITED (2022 - 2023)

Key Responsibilities

- Played key role in HR planning and change management during the NINI–Lamorna merger.
- Supported end-to-end hiring, training, and compliance with data protection standards.
- Coordinated payroll processing and statutory compliance.
- Facilitated conflict resolution and advised managers on labor policies
- Advised management and staff on HR policies, conflict resolution mechanisms, and compliance issues.
- Processed payroll documentation and oversaw timely remittance of statutory deductions.
- Conducted internal compliance checks and participated in HR risk assessments to mitigate operational gaps.

Achievements

- Facilitated a smooth transition during the NINI-Lamorna merger, showcasing effective change management skills that minimized disruption for all stakeholders.
