

SHIRLEY OKELLO

Nairobi, Kenya | +254 111 642 747 | shirley.m.okello@gmail.com

PROFESSIONAL SUMMARY

Analytical HR & People Operations Professional with hands-on experience across HR generalist functions, the full recruitment lifecycle, and performance analytics. Skilled in high-volume candidate sourcing, aptitude testing, interview panel coordination, disciplinary case facilitation, and training logistics. Experienced in HRIS management, workforce reporting, and translating workforce data into strategic recommendations that support business growth.

CORE COMPETENCIES

Talent Acquisition: End-to-end recruitment, mass mobilization, aptitude testing, interview panel coordination

People Operations: Onboarding & induction, disciplinary facilitation, training logistics, statutory compliance

Analytics & Systems: Sales performance analysis, KPI reporting, HRIS (Zoho, Solutech, The Den)

Digital Tools: Zoho Suite, DocuSign, ClickUp, Microsoft Office

TECHNICAL TOOLS

- Solutech – Sales tracking & performance analysis
- The Den – Internal operational reporting
- ClickUp – Workflow & task management
- Zoho People, Zoho Recruit, Zoho Analytics
- DocuSign – Digital contracts & employee documentation
- Microsoft Office Tools (Excel, Word, PowerPoint, Teams, Outlook)

PROFESSIONAL EXPERIENCE

Human Resource & Performance Analyst Intern – Dragonfly, Nairobi *Dec 2025 – July 2026*

- Support HR generalist functions for the business, spanning recruitment, employee relations, training, and performance analytics.
- Manage end-to-end recruitment for field and office-based teams: screen CVs, interview candidates, and communicate outcomes; coordinate onboarding and induction for new hires.
- Facilitate disciplinary processes and coordinate staff training logistics as needs are identified.
- Manage employee statutory documentation (NSSF, SHA, KRA PIN) for staff files.
- Analyze sales performance against assigned targets and develop weekly and monthly reports with trend analysis for management.
- Drive post-review action planning with data-driven recommendations to address underperformance, and monitor KPI achievement for decision-making.
- Maintain and audit employee records within HR systems, ensuring accuracy and confidentiality.

People Operations Intern – SAMA, Nairobi *May 2023 – Oct 2023*

- Coordinated mass mobilization of 50+ candidates per project and administered aptitude tests as the first stage of the interview process, screening and filtering candidates based on results.
- Sat on interview panels for select roles and contributed to final hiring decisions.
- Managed employee data and recruitment processes using Zoho People and Zoho Recruit, coordinating candidate screening and interviews via HRIS platforms.
- Prepared HR analytics reports using Zoho Analytics to support workforce decision-making.
- Facilitated digital onboarding, offboarding, and contract processing through DocuSign, ensuring timely and compliant documentation.
- Assisted in payroll documentation and statutory compliance processes.

EDUCATION

Bachelor's Degree in Human Resource Management — Karatina University (2020 – 2024)

Research Project: The Effects of Mental Health on Employee Performance — informing employee wellbeing and engagement strategies

KEY ACHIEVEMENTS

- Ensured full statutory compliance by maintaining accurate NSSF, SHA, and KRA documentation across staff files.
- Supported fair and timely resolution of disciplinary cases through compliant employee relations processes.
- Streamlined high-volume candidate mobilization and assessment processes, coordinating 50+ candidates per project and improving the efficiency of first-stage screening at SAMA.
- Enhanced visibility of sales performance trends through structured sales vs. target comparison analysis.
- Supported HR digital transformation through effective use of Zoho HR Suite and DocuSign systems.
- Improved reporting accuracy and workflow efficiency through structured performance tracking.
