PROFESSIONAL EXPERIENCE

Human Resource Assistant

Hilalium and Sons (UR Home Company), Nairobi (Feb 2025 – Present)

- Coordinating recruitment and onboarding support activities including posting job adverts, shortlisting applications, scheduling interviews, managing communication with candidates and verifying onboarding documents, improving recruitment efficiency.
- Manage daily staff attendance tracking, coordinate with department supervisors on leave, late arrivals, and off-site staff, and prepare accurate attendance data for payroll and reporting.
- Receive, verify, record, and file employee leave applications, update leave balances in Excel databases and HRIS, and maintain both digital and physical leave records.
- Create new employee profiles in the HR system, generate employee numbers, verify personal and payroll documents, and maintain complete staff files in line with company procedures.
- Handle walk-in job applicants, receive CVs, guide them on available vacancies and application processes, and maintain the HR applicants' register.
- Maintain organized HR filing systems (physical and digital), ensuring confidentiality, accuracy, and ease of retrieval for audits and management use.

- Provide front-line HR support by responding to routine employee inquiries on attendance, leave, policies, and basic HR procedures, ensuring staff satisfaction and compliance with labour laws and company HR standards.
- Maintain confidentiality at all times while handling sensitive employee information and HR documentation.
- Executed general HR administration and office operations, contributing to smooth daily workflow across departments.

Human Resource and Administration Intern

Netherlands School Society (Dutch School), Nairobi (Nov 2024 – Feb 2025)

- Supported daily office operations including front desk management by answering phone calls, replying official emails and responding to inquiries, providing accurate information and escalating issues where necessary.
- Worked closely with the Operations Manager to design a structured questionnaire and survey covering operational, financial and HR, focusing on staffing structures, employee salary scales and benefits, funding support, and institutional support from embassies and national governments affiliated with selected international schools.
- Collected and reviewed survey feedback from participating schools, organised the data, and prepared a consolidated report summarising key findings and observations, which was shared with management to support operational improvements and internal benchmarking.
- Managed employee and students record management, ensuring proper filing, confidentiality, and compliance with HR policies.
- Assisted in scheduling and coordinating staff meetings, trainings, and school events, including preparation of attendance lists, materials and documentation.
- Supported in preparation of administrative and HR reports for internal use.

Human Resource Intern (Industrial Attaché).

National Environment Management Authority (NEMA), Nairobi (Jun 2023 – Sep 2023)

- Maintained organized, complete, and confidential employee records in both soft and hard copy formats, ensuring compliance with audit standards.
- Supported recruitment activities through data capture, shortlisting support, and updating staff information in the ERP system.
- Drafted and edited HR documents, including internal communications such as HR memos, policy notices, circulars, and engagement announcements, ensuring professional communication standards.
- Updated staff information regarding overtime payments and leave data in Microsoft Navision ERP, ensuring 100% data accuracy for payroll processing.
- Processed staff applications and requests while escalating complex issues promptly to senior management, improving staff satisfaction.

- Responded to routine employee inquiries regarding HR procedures, attendance, and general staff matters.
- Provided general administrative support, including filing, documentation, and assisting HR officers with daily tasks

Project Support Intern (Industrial Attaché).

Nairobi City Water and Sewerage Company, Southern Region Offices (Jul 2018 – Oct 2018)

- Maintained project records and files, ensuring documentation was properly organised and updated.
- Supported project planning and administrative coordination for water and sanitation projects in informal settlements.
- Assisted with, data collection site documentation, and report preparation for ongoing projects like Conducting site visits to record meter readings, identify leaks, and document discrepancies for timely action.
- Guided clients through new water meter account opening processes, improving customer satisfaction.
- Supported communication between field teams, supervisors, and office staff
- Attended community outreach events and stakeholder meetings aimed at fostering positive public relations.
