---

Results-driven Human Resource professional with five years of progressive experience managing full HR functions including recruitment, payroll administration, employee relations, and performance management. Delivers measurable outcomes through accurate payroll coordination, fair and compliant disciplinary case management, and employee engagement programs that strengthen retention and statutory compliance (PAYE,, NSSF, SHIF, HELB).

### KEY COMPETENCIES

---

- Employee Relations & Dispute Resolution
- Full-Cycle Recruitment & Onboarding
- Payroll Coordination & Statutory Compliance
- Disciplinary Case Management
- Performance Management & Appraisals
- Compensation & Benefits Administration
- Kenyan Labor Law Compliance
- HR Reporting & Workforce Analytics
- Employee Engagement & Retention
- Cross-Functional Stakeholder Liaison

### PROFESSIONAL EXPERIENCE

---

#### Watervale Investments Ltd (Moko Home + Living) HR Officer

*June 2025 – June 2026*

- Resolved disciplinary cases in full compliance with Kenyan labor law and company policy, reducing legal risk and reinforcing workplace standards.
- Delivered a smooth, end-to-end employee experience, spanning recruitment, onboarding, transfers, confirmations, and contract renewals that improved new hire integration and retention.
- Maintained a harmonious work environment by resolving employee grievances promptly through structured employee relations management.
- Ensured smooth, professional exits by managing the complete offboarding process, including clearance coordination and exit interviews.
- Achieved 100% accuracy in payroll processing by coordinating payroll inputs and proactively resolving escalations.
- Avoided statutory penalties by ensuring timely filing of all remittances (PAYE, NSSF, SHIF & HELB).
- Enabled informed staffing decisions by producing HR reports on overtime, attendance, and workforce trends for senior management.
- Strengthened staff morale and retention through employee engagement initiatives and welfare programs.
- **Key Achievement:** Sustained 100% payroll accuracy while managing the full employee life cycle and HR data reporting for 550 employees in the organization.

#### Keda (Kenya) Ceramic – Twyford International

#### Employee Relations, Compensation & Performance Specialist | January 2024 – May 2025

- Strengthened talent attraction and retention by aligning salary structures and employee benefits with market standards.
- Improved appraisal consistency and quality by managing performance review cycles and training staff on appraisal techniques.
- Analyzed market salary data using Excel and people soft to benchmark compensation across roles, directly informing pay structure decisions.
- Reduced legal and reputational risk by advising management on employee relations, dispute resolution, and compliance matters.

- Ensured full statutory compliance for expatriate Chinese staff by managing NSSF and KRA account registrations and processing NSSF reimbursement claims for Chinese employees relocating or exiting the country, supporting smooth and compliant cross-border transitions

#### **Attendance & Contract Management Specialist | January 2023 – December 2023**

- Managed attendance and work hour data in people soft for 860 employees and 300 casual workers, using Excel for cross-checking and reporting, improving payroll and reporting accuracy.
- Reduced absenteeism by 10% by designing and implementing a targeted attendance improvement program.
- Minimized policy disputes by managing leave requests in full compliance with company policy.
- Reduced legal exposure by administering employee contracts with accurate documentation and adherence to labor law.

#### **Operations Personnel & Recruitment Specialist | January 2022 – December 2022**

- Maintained audit ready employee records by managing daily HR operations and onboarding processes.
- Shortened time to hire by coordinating recruitment processes with timely communication and a seamless candidate experience.
- Expanded the talent pipeline by representing the company at career fairs and recruitment events.
- Improved production efficiency by monitoring workflows and resolving bottlenecks alongside production teams.
- Sustained a safe, compliant workplace by enforcing safety regulations and quality control procedures.
- **Key Achievement:** Reduced absenteeism by 10% through a self-designed attendance improvement program.

### **EDUCATION**
