PROFESSIONAL EXPERIENCE

HR & Business Development Assistant Officer | Traction School of Governance & Business (TSGB) | Nairobi, Kenya | June 2026 – Present

*Traction School of Governance & Business is a professional training institution providing programmes in **Human Resource Management, Corporate Governance, Leadership, ESG, business and professional development**.*

- Supported the establishment and day-to-day administration of the HR function, developing job descriptions, HR templates, employee documentation and administrative procedures to support consistent HR operations.
- Coordinated recruitment support activities, including vacancy documentation, candidate communication, interview scheduling, interview follow-up and maintenance of recruitment records.
- Maintained confidential employee records and supported the organisation of physical and electronic personnel files, improving accessibility and consistency of HR documentation.
- Supported employee lifecycle administration, including onboarding documentation, employment contracts, employee information records, leave administration, attendance records and other personnel documentation.
- Supported performance management and employee appraisal processes by coordinating appraisal documentation, compiling employee performance information, assisting with Performance Improvement Plans (PIPs) and preparing management reports.
- Prepared HR reports, meeting minutes, formal HR correspondence and management documentation to support timely decision-making and follow-up on employee and organisational matters.
- Supported implementation of HR policies and the Employee Handbook through staff communication, documentation and training activities to strengthen awareness of workplace procedures and employee expectations.

Human Resource Intern / Assistant Administrator | Rightways Consultancy Firm | January 2026 – April 2026

*Rightways Consultancy Firm is a human resource and business consultancy providing **HR outsourcing, recruitment, payroll support, compliance and administrative services** to organisations across different sectors.*

- Maintained and updated employee information in the Human Resource Information System (HRIS), validating personnel data and supporting accurate retrieval of employee records.
- Prepared and maintained personnel files, employment documentation and confidential employee records in line with established HR procedures and data confidentiality requirements.
- Supported recruitment and selection processes by coordinating candidate documentation, scheduling interviews, communicating with applicants and maintaining recruitment records throughout the hiring process.
- Consolidated employee and organisational data for HR reports, ensuring management had accurate information for workforce administration and decision-making.
- Supported payroll preparation by verifying employee information, attendance records and supporting HR documentation before payroll processing.
- Assisted with routine HR administration, employee records, attendance documentation and administrative coordination while handling confidential employee information professionally.

Human Resource Attaché | County Government of Mombasa – Department of Blue Economy | May 2025 – August 2025

The Department of Blue Economy supports public-sector initiatives focused on the sustainable utilisation of marine resources while providing administrative and human resource support for departmental operations.

- Supported daily Human Resource Administration and office operations, contributing to the timely delivery of departmental HR and administrative services.
- Organised, maintained and updated employee records and departmental files in accordance with public-service procedures, improving document retrieval and record accuracy.
- Assisted with monitoring employee attendance, leave records and personnel documentation to support accurate workforce administration.
- Handled employee information and departmental documentation confidentially while maintaining orderly physical and electronic records.
- Supported HR officers with routine administrative follow-up, documentation and employee records management within a structured public-sector environment.
