About Me

I am hard-working, passionate, consistent, self-motivated, career driven young lady with the extensive knowledge and understanding of the importance of problem solving. I am fast Learner who is eager to learn with positive thinking and able to control multiple project activities. I hold a 3 years degree in Human Resource Management. I have soft skills in Microsoft word, Excel, PowerPoint, Microsoft Teams and Outlook.

Experience

Signa Opportunity 01/ 2025 To Date **Recruitment Administrator**

- Advertise job vacancies, including replacements for resigned candidates, on approved job boards and the ATS system, ensuring alignment with project timelines and client needs.
- Screen and review CVs received, shortlisting candidates according to job specifications and in consultation with the Recruitment Officer to ensure optimal matches.
- Provide short-listed CVs that meet job requirements to the Recruitment Officer and client for further review and consideration.
- In collaboration with the Recruitment Officer, schedule interviews and prepare interview-related documentation (e.g., interview packs, schedules) and ensure timely distribution to the interview panel.
- Ensure interview schedules are distributed to clients or host partners at least three days in advance of the interview date.
- Assist in conducting reference and background checks to ensure that all candidates meet eligibility criteria before proceeding with contracting and onboarding.
- Manage post-interview communication, providing candidates with interview outcomes and distributing relevant documentation (e.g., offer letters, regret letters) through the ATS system.
- Assist with the preparation of offer letters and employment contracts for candidates, ensuring timely distribution and collection of signed contracts.
- Coordinate with the Recruitment Officer and Workplace Coordinator to communicate orientation schedules to candidates and internal teams.
- Collaborate with other departments and stakeholders to attract diverse talent by exploring new recruitment channels and approaches.
- Represent the organization professionally in all candidate engagements, maintaining clear and consistent communication throughout the recruitment process.
- Attend recruitment events, including career fairs, to engage with potential candidates and capture candidate information for follow-up.
- Ensure that candidate and client data is accurately transferred and maintained in the ATS system and Drive, following established criteria and quality standards.
- Adhere to the Recruitment Standard Operating Procedures (SOP) for all recruitment processes and documentation.

- Collect, verify, and compile candidate onboarding documents for payroll and compliance purposes.
- Provide effective administrative support across recruitment functions, assisting with general office tasks as needed.
- Respond promptly to candidate queries and escalate complex or sensitive issues to the Recruitment Officer.
- Ensure tasks are completed on time and in accordance with deadlines to meet recruitment goals and expectations.
- Work collaboratively with other teams, such as HR, Finance, and Operations, to ensure smooth integration of recruitment efforts and candidate onboarding.
- Contribute to team efforts and actively participate in team meetings, sharing insights and providing support as needed.
- Assist with the generation of regular recruitment reports and provide administrative support for ongoing recruitment projects.
