LinkedIn: Obakeng Tervin Ntimane

PROFESSIONAL PROFILE

Industrial and Organisational Psychology professional with practical experience across operations administration, recruitment and selection, HR administration, psychometric assessment support, labour-law compliance and employee relations. Coordinates full-cycle recruitment, maintains confidential employee and candidate records, prepares executive-level reports and manages document control, CRM and Health & Safety administration in operational environments. Brings statutory inspection experience under the Basic Conditions of Employment Act, including compiling legally defensible compliance notices, investigating complaints and facilitating employer and employee advocacy sessions. Working knowledge of South African labour legislation, supported by a BCom Honours in Industrial and Organisational Psychology (UNISA) and a BA in Public Administration and Labour Relations Management (North-West University). Registered member of the South African Board for People Practices (SABPP).

Commercial & Interpersonal: Lead Generation & Qualification | Customer Service & Relationship Building | Stakeholder Communication | Data Entry & Processing Accuracy | Process Mapping & Lean Fundamentals | Confidentiality & Attention to Detail

PROFESSIONAL EXPERIENCE

Operations Administrator Intern

Tala Consulting Engineering | Jun 2026 – Present

- Coordinate the full recruitment cycle, including candidate sourcing, screening, interview scheduling, interviews, selection support, pre-employment documentation and onboarding.
- Manage candidate profiling, including CVs, interview records, assessment results and personality testing.
- Prepare executive recruitment reports summarising candidate profiles, interview feedback, assessment outcomes and recruitment progress.
- Maintain confidential and accurate employee and candidate records in line with company policy and privacy requirements.
- Update and manage leads on Zoho CRM, including capturing new leads, updating lead status, recording follow-ups and maintaining customer information.
- Manage, organise, scan, file and maintain physical and electronic company documentation, including invoices, delivery notes, timesheets, attendance records and reports.
- Maintain document registers, trackers, filing systems and operational records.
- Assist with HR administration, including leave records, employee profiles, performance documentation, recognition processes, policies and training coordination.
- Coordinate meetings, training sessions, transport, catering, visitors and general office logistics.

- Assist with stock inventory, asset registers, tool audits and car-register administration.
- Support call-out reports, incident reports, permit documentation, Toolbox Talks and compliance records.
- Provide administrative support to Health & Safety activities and maintain safety documentation.
- Assist with internal and external reporting and ensure timely submission of required documentation.
- Support communication between office and site teams and perform general administrative and operational duties.

BCEA Inspector

Department of Employment and Labour | Nov 2025 – Jul 2026

- Conducted workplace inspections in accordance with the Basic Conditions of Employment Act (BCEA) and applicable labour legislation to assess employer compliance.
- Compiled legally defensible inspection reports, compliance notices and enforcement documentation aligned with departmental standards.
- Analysed inspection data to identify sector-specific compliance trends, high-risk employers and recurring violations.
- Enforced labour legislation through compliance orders and follow-up inspections, ensuring corrective action within prescribed timeframes.
- Facilitated advocacy and awareness sessions for employers and employees by interpreting and simplifying labour legislation.
- Investigated complaints and supported dispute-resolution processes by applying the BCEA and related legislation to workplace scenarios.
- Liaised with internal stakeholders, trade unions and employer representatives to support communication and resolution of labour matters.
- Maintained accurate records and case files for legal proceedings and departmental reporting.

Assistant Psychometrist

Department of Employment and Labour | Nov 2025 – Jun 2026 | Part-time

- Assisted with the administration of psychological and psychometric assessments in accordance with ethical and professional guidelines.
- Prepared testing materials, assessment venues and equipment before assessment sessions.
- Registered, welcomed and guided candidates through assessment processes.
- Ensured standardised testing procedures were followed to maintain the validity and reliability of assessment results.
- Monitored assessment sessions while maintaining test security and confidentiality.
- Captured, organised and maintained accurate assessment records and participant information.
- Assisted with scoring, processing and preparing assessment results for review by the supervising Psychometrist or Psychologist.
- Scheduled assessment appointments and coordinated communication with candidates and clients.
- Maintained strict confidentiality of assessment data in accordance with ethical standards and relevant legislation.
- Supported recruitment, selection, training and employee-development assessments where applicable.
- Performed filing, report preparation, document management and database updates.
- Worked collaboratively with psychologists, psychometrists and HR teams to support efficient assessment operations.

Security Supervisor

Stallion Integrated | Mar 2025 – Nov 2025

- Supervised security operations and supported effective coordination of personnel and site activities.
- Maintained professional written communication, attention to detail and operational discipline.
- Supported compliance with site procedures and communicated operational matters to relevant stakeholders.

Telemarketer

Chenkesed | Nov 2024 – Jan 2025

- Contacted potential and existing customers to promote products, services and offers.
- Conducted cold calls to generate new leads and followed up on warm leads and previous enquiries.

- Recorded call details, customer responses and sales progress in CRM systems.
- Updated customer databases with accurate and current information.

Sales Consultant

O'Keeffe & Swartz | May 2024 – Oct 2024

- Adapted to evolving sales scripts, product information and customer profiles to consistently secure desired outcomes.
- Fostered rapport and established long-term customer relationships to support loyalty and repeat business.
- Maintained accurate records of sales activities, calls made, leads qualified and sales closed.
- Supported sales performance through effective lead qualification, relationship building and product communication.

Human Resources Job Simulation Intern

GE Aerospace Explorer — Forage | Oct 2023 – Apr 2024

- Completed a job simulation using HR tools and skills to support improvements to HR systems.
- Provided constructive feedback to a team member to support performance and development.
- Applied Lean Methodology to a practical routine and process-improvement exercise.
- Prepared recommendations regarding pay increases and adjustments using compa-ratios and established pay ranges.

Industrial Relations Observer

LabourNet | Mar 2023 – Jun 2023

- Supported fair and impartial investigations and observed industrial-relations processes.
- Assisted with legal and employee-relations work and the drafting of reasoned judgments.
- Supported compliance with workplace regulations and policy requirements.
- Contributed to the development and enforcement of clear company policies.
- Kept current with relevant labour laws and regulations.

Marketing Assistant

iCollege | Jan 2020 – Dec 2020 | Contract

- Supported marketing activities and general administrative coordination.
- Assisted with communication, office technology and customer-facing activities.
- Supported promotional and marketing-related tasks as required.
