WORK EXPERIENCE

01/2024 – Current | HR and Administrative Assistant: Athimthende Development Services

- Managing and maintaining employee records, including contracts, leave, and personal information in line with company policies and labour legislation.
- Assisting with recruitment processes, including job postings, CV screening, interview coordination, and onboarding of new employees.
- Supporting payroll administration by capturing timesheets, tracking attendance, and updating leave records.
- Handling employee queries and providing administrative HR support where required. Ensuring compliance with HR policies, procedures, and labour regulations.
- Identifying and monitoring tender opportunities (RFQs, RFPs) relevant to the business.
- Preparing, compiling, and submitting tender documents accurately and within deadlines.
- Ensuring all submissions meet compliance requirements (e.g., tax clearance, BBBEE certificates, company documentation).
- Liaising with internal departments to gather required information for bid submissions.
- Maintaining an updated tender register and tracking the status of all submissions.
- Providing general administrative support, including managing emails, scheduling meetings, and maintaining filing systems.

09/2023 – 12/2023 | Tender & Administrative Clerk: Athimthende Development Services

- Managing and monitoring tender opportunities (RFQs, RFPs) relevant to the business.
- Preparing, compiling, and submitting tender documents accurately and within deadlines.
- Ensuring all tender submissions meet compliance requirements (e.g., tax clearance, BBBEE certificates, company documents).
- Maintaining and updating a tender register and tracking submission status and outcomes.
- Liaising with internal departments to gather required information for bid submissions.
- Organizing and maintaining tender files for easy access and audit purposes.
- Providing general administrative support, including managing emails, calls, and correspondence.
- Scheduling meetings, appointments, and maintaining calendars.
- Maintaining filing systems (both digital and manual) to ensure proper record-keeping.
- Preparing reports, letters, and official documents as required.
- Handling data capturing and updating company records accurately.
- Ensuring all office documentation is well-organized and up to date.

09/2022 – 08/2023 | HR, Tendering and Data Capturing Intern: Athimthende Development Services

- Managing and updating employee records, including personal information, contracts, and leave records.
- Assisting with recruitment processes, including posting vacancies, screening CVs, and scheduling interviews.
- Supporting onboarding processes by preparing documentation and coordinating inductions.
- Handling employee queries and providing general HR administrative support. Identifying and monitoring tender opportunities (RFQs, RFPs) relevant to the organization.
- Assisting with preparing, compiling, and submitting tender documents within required deadlines.
- Ensuring all tender submissions meet compliance requirements (e.g., tax clearance, BBBEE certificates, company profiles).

- Maintaining and updating a tender register and tracking submission progress.
- Capturing, updating, and maintaining accurate data in company systems and databases.
- Always ensuring confidentiality and security of sensitive information.
- Providing general administrative support, including managing emails, scheduling meetings, and preparing.

08/2021 – 07/2022 | Call Centre Agent: I-Talk Financial Services

- Applying persuasive communication skills in client interactions, ensuring clear and effective engagement.
- Documenting customer interactions and resolving queries efficiently to maintain high service standards.
- Handling incoming and outgoing calls, providing accurate information and support to clients.
- Assisting in updating client records and reporting trends to improve service delivery.

02/2021 – 07/2021 | Data Capturer: HRC Auto Spares

- Capturing and updating data accurately in company databases and spreadsheets.
- Verifying information for completeness and consistency before entry.
- Maintaining organized records and filing systems for easy retrieval.
- Generating reports from captured data to support management decisions.
- Assisting with general administrative tasks to ensure smooth office operations.
- Supporting the team with data-related queries and corrections.
