PROFESSIONAL SUMMARY

HR Generalist and Executive Partner with experience spanning full-cycle recruitment, candidate sourcing, screening, onboarding, HR compliance, and process automation, alongside executive-level operations support. Proven ability to own hiring pipelines end-to-end, build scalable recruitment and onboarding processes, and manage compliance while supporting senior leadership. Skilled in candidate screening, workforce coordination, and KPI-driven performance management across fast-paced, multi-account environments.

CORE COMPETENCIES

Talent Acquisition & Recruitment: Full-cycle recruitment, candidate sourcing and screening, interview coordination, onboarding, HRIS/ATS-adjacent systems

HR Operations & Compliance: Background screening (MVR, EDL, SOR, OIG, E-Verify), training administration (Relias LMS), HR process automation, recordkeeping

Leadership: Team leadership, coaching, performance monitoring, cross-functional collaboration

Operations & Performance: KPI tracking and improvement, process optimization, multi-account coordination, escalation management

Tools & Systems: Excel, Word, Outlook, Google Workspace, WellSky, ClearCare, Relias LMS, CRM platforms (Kustomer, Playvox, Freshdesk)

PROFESSIONAL EXPERIENCE

Executive Partner | HR Generalist

Feb 2026 – Present

Athena — supporting Avant Supported Living

- Serve as HR Generalist for Avant Supported Living while providing executive support to senior leadership, balancing full recruitment ownership with high-trust executive operations.
- Own the full recruitment lifecycle, including talent sourcing, resume screening, interview coordination, candidate communication, hiring, and onboarding.
- Designed and implemented "HR Reimagined," an automated recruitment workflow that parses resumes and performs initial AI-assisted candidate screening with human oversight, streamlining hiring operations.
- Conduct employment background checks including criminal background checks, Motor Vehicle Records (MVR), EDL verification, Sex Offender Registry (SOR), OIG exclusion checks, and E-Verify employment eligibility verification.
- Assign and monitor employee training through the Relias Learning Management System, ensuring regulatory and organizational compliance.
- Maintain HR records, recruitment metrics, and employee documentation while ensuring confidentiality and regulatory compliance.
- Continue providing high-level executive support: inbox and calendar management, stakeholder communication, and operational coordination for the Principal.

Scheduler — Talent Coordination & Workforce Management

Sep 2025 – Jan 2026

Solvo Global / Oasis Outsourcing — Right at Home Tri-County Metro Detroit

- Managed end-to-end caregiver recruitment, including candidate sourcing, resume screening, interviews, and selection.
- Conducted candidate assessments to evaluate qualifications, availability, and organizational fit against client requirements.
- Coordinated onboarding for newly hired caregivers, ensuring completion of employment documentation, compliance requirements, and system setup.
- Maintained employee records and onboarding/compliance documentation using WellSky.
- Managed workforce scheduling across multiple shifts and locations, maintaining optimal coverage and service quality.

Contact Center Agent — World of Books (WOB), eBay & Amazon Marketplaces

Jan 2025 – Aug 2025

Call Center International (CCI)

- Delivered high-quality, first-contact resolution support across order tracking, returns, and platform troubleshooting for multiple marketplace accounts.
- Collected and escalated customer feedback to relevant teams to support ongoing service enhancements.
- Guided customers through multi-step processes (book resale, evaluation disputes, shipping) with clear, professional communication.

Contact Center Agent — Glovo Campaign (Riders LOB)

Aug 2023 – Dec 2024

Call Center International (CCI)

- Selected as Group Leader for the Divilo Cashless Payment Pilot Program based on exemplary KPI performance, leading rider acquisition and adoption initiatives across the Spanish market.
- Engaged, screened, and onboarded riders onto the Divilo platform through targeted outreach and consultative, relationship-driven conversations.
- Coached and supported team members, contributing to improved conversion rates and program adoption during a high-risk-market fraud-reduction rollout.
- Strengthened stakeholder trust and measurable adoption growth through persuasive communication, objection-handling, and cross-cultural adaptability (foundational Spanish).

Administrative & Scheduling Assistant

May 2023 – Aug 2023

Rhodes Chest Clinic

- Managed patient bookings and schedule adjustments using WellSky, reducing conflicts and no-shows through automated reminders and reporting tools.
- Supported front-desk operations and maintained accurate records while ensuring clear communication with patients and clinical staff.

Industrial Attachment — News Desk Reporter

Jul 2022 – Sep 2022

Kenya Broadcasting Corporation (KBC)

- Covered local and international news stories and supported newsroom scheduling and social media coordination.

EDUCATION

Bachelor of Arts in Communication and Media Technology (Broadcast Journalism & Public Relations) — Maseno University, 2019–2023, 2nd Class Honors
