Professional Summary

Customer service and client relations professional with over 4 years of experience delivering responsive, solutions-oriented support across inbound and outbound channels. Skilled in managing client journeys from first contact through to closing, handling complaints, maintaining CRM documentation, and providing the administrative coordination that keeps sales teams operating efficiently. Looking to bring this foundation into broader customer service and administration roles where strong communication, attention to detail, and follow-through are what drive results.

PROFESSIONAL EXPERIENCE

Customer Service Representative, Optiven Limited, Nairobi, Kenya

APR 2023 – PRESENT

Client Engagement & Support

- Handle inbound client inquiries, providing accurate information and responsive support that resolves issues efficiently and leaves clients with a positive experience at every interaction
- Provide after-sales support to clients post-purchase, maintaining engagement and trust beyond the transaction and contributing to long-term client retention
- Conduct post-service client experience surveys, analyzing feedback to identify recurring pain points and recommend service improvements that raise satisfaction levels across the team
- Gather customer insights, testimonials, and success stories with client consent, feeding findings back to the marketing team to strengthen campaign messaging and promotional content

CRM & Administrative Support

- Log and track every client interaction in the CRM system, maintaining accurate, up-to-date case records that ensure no follow-up falls through the cracks and every client receives timely resolution
- Schedule and coordinate client appointments, managing calendars and sending reminders to ensure no meetings are missed and the sales team's time is used efficiently
- Prepare regular reports on call activity, client feedback, and case resolution status, giving management an accurate picture of team performance and service outcomes
- Maintain detailed documentation of client journeys, inquiry history, and resolution outcomes, providing the team with a reliable data trail that supports reporting and performance tracking

Customer Support Coordinator, Merino Real Estate, Nairobi, Kenya

APR 2022 – MAR 2023

Client Support & Relationship Management

- Responded to client inquiries via phone and email, resolving issues promptly and professionally while promoting property packages that matched each client's needs and investment profile
- Tracked customer journeys from initial interest through to closing, maintaining consistent engagement at each stage of the sales cycle to nurture leads and prevent drop-off before conversion

Sales & Administrative Support

- Prepared client documentation and contracts with full accuracy, ensuring all paperwork was correctly compiled and ready for signature without delays that could jeopardize deal closure
- Coordinated meeting follow-ups and maintained organized records of client

Target-driven and
results-oriented

Strong attention to detail and
follow-up

Clear and persuasive
communicator

Thrives in team-oriented
environments

Positive attitude and high energy
on calls

interactions, giving the sales team a clear and up-to-date picture of pipeline status at all times

- Managed correspondence between the sales team and clients, drafting professional follow-up emails and ensuring all communications were responded to within agreed timeframes
- Maintained an organized filing system for client contracts, property documents, and meeting records, ensuring all documentation was retrievable and audit-ready at any time

Event Coordination

- Organized virtual open-house events from logistics planning through to execution, managing client invitations, platform setup, and on-the-day coordination to ensure smooth and professional client engagement throughout
