PROFESSIONAL SUMMARY

I am a hardworking and people-oriented professional with a **Bachelor of Business Administration in Human Resource Management** and practical experience in administration, business development, data management, stakeholder engagement, and team coordination.

My previous roles have helped me develop strong skills in communicating with people, organizing information, coordinating activities, following up on tasks, maintaining accurate records, and supporting day-to-day operations. I enjoy working with people and creating an organized environment where employees and teams can work effectively.

I am looking to grow my career as an **HR Assistant**, where I can support employee-related activities, HR administration, recruitment, records management, staff communication, and other HR processes. I am a quick learner, dependable, and committed to developing my HR knowledge while contributing positively to the organization.
