EXPERIENCE

GUARANTY TRUST BANK

2023 August – Now

HUMAN RESOURCE OFFICER

- Recruitment & Induction: Manage the full recruitment cycle and successfully onboard new employees.
- HR Policies & Compliance: Develop and implement HR policies and procedures in compliance with current Kenyan Employment and Labour Laws.
- Employment Contracts: Draft and issue employment contracts, offer letters, addenda, and manage contractual variations.
- Payroll Management: Use HRIS (Memory Soft) to ensure timely and accurate processing of salaries and employee benefits.
- Statutory Compliance: Administer and ensure timely remittance and filing of statutory deductions, including NSSF, NHIF, PAYE, HELB, Pension, NITA, and staff insurance contributions.
- Performance Management: Manage the appraisal process and design performance management tools aligned with organizational objectives in collaboration with line managers.
- Employee Relations: Handle staff grievances promptly, professionally, and in line with company policies and business requirements.
- Learning & Development: Conduct Training Needs Analysis (TNA), present findings to management for approval, and coordinate approved training programs.
- HR Records Management: Oversee accurate maintenance of employee files in both manual and electronic formats while ensuring confidentiality.
- Leave Management: Manage employee leave schedules and maintain the organizational leave calendar.
- Employee Engagement & Welfare: Coordinate staff welfare initiatives, including healthcare talks, quarterly staff meetings, team-building activities, and end-of-year events.
- HR Reporting: Prepare and submit HR management reports to support decision-making.
