CAREER PROFILE SUMMARY

As a skilled and purpose-driven professional keen on offering my expertise in an established organization, I am passionate about handling human resource operations in a bid to improve workforce performance. Over the years, I have effected company growth and staff development motivating them to ensure productivity in the workforce. My ability to ensure orderliness and efficient running of operations has seen me carry out administrative roles effectively. My scope of experience includes; recruitment and selection, performance management, human resource management and coordinating staff development and training. I am seeking a position where my Human Resource skills and dedication for improving employee engagement and company operations will be utilized in driving organizational growth and as a result, achieving the organization's bottom lines.

EDUCATION BACKGROUND

- **Bachelor Commerce Major in Human Resource-** Cooperative University of Kenya; December 2020 to December 2024.
- **Kenya Certificate of Secondary Education-** Kisumu Girls High School; February 2016 to December 2019.

PROFESSIONAL COURSES

- **Master Human Resource Practical Skills (Training)** - Corporate Staffing Services ;April 2025

KEY SKILLS AND COMPETENCIES ACQUIRED

- **Human Resource:** Well conversant with all aspects of Human Resource procedures; such as payroll administration, creating monthly reports, hiring, conflict resolution, as well as creating job descriptions.
- **HR Strategies and Policies:** I have been actively engaged in the continuous analysis of HR strategies and policies, assessing the impact of changes and making recommendations on their implementation to the management.
- **Strategic Management:** Took part in the formulation and implementation of strategies and policies on performance management, recruitment, training and development, employee relations among others.
- **Employee Relations:** Proven ability to manage employee relations which may include acting as an impartial mediator in disciplinary procedures and ensuring it is administered equitably and fairly and meets all legal and labour regulations and requirements.

- **Recruitment and Selection:** Acquired expertise in recruitment, shortlisting suitable candidates, interviewing and drafting of the job descriptions.
- **Training and Development:** To boost productivity levels, I have successfully identified the different training needs of different departments and coordinated the different training programs put in place.
- **Administration Skills:** Experienced in managing administrative functions for example ensuring the proper filing of office documents, handling emails and telephone calls, ensuring the smooth running of office operations and ensuring that office equipment is well maintained or handled.
- **Conflict Management and Problem Solving:** Capacity to solve cropping problems and grievances affecting employees to foster a positive working environment.
- **Communication skills:** Good command of both verbal and non-verbal communication with great listening skills exercised in my working experience with colleagues.

WORK HISTORY

Human Resource Intern

Corporate Staffing Services; 10th February 2025 to 2nd June 2025

Duties and Responsibilities

- Participated in departmental meetings and taking minutes.
- Shortlisted applicants and scheduled interviews within the laid down policies.
- Ensured all new staff inductions are done, monitored their probation period and ensured the relevant line managers appraised them, ensured references were done on time and confirmation of staff is not delayed.
- Provided guidance and interpreted the HR manual, policy and procedures by ensuring effective and proactive communication across assigned regions. Heard and resolved employee grievances; counseled employees and supervisors (employees' engagement).
- Ensured all staff contracts complied with Kenya Employment Act, prepared new contracts and renewals, and ensured all renewals were done in good time.
- Ensured legal compliance by monitoring and maintaining records.
- Ensured effective implementation of performance management processes and systems at the assigned regions.
- Conducted exit interviews and completed the separation process for employees exiting the organization as per the law and HR manual.
- Ensured that all job descriptions were in place and remained current and accurate.
- Ensured timely and adequate resolution of all issues to promote a harmonious working environment and I empowered staff in the centers/branches.
- Implemented all HR policies and procedures across assigned regions, ensured all employees were licensed and no gaps at any time.
- Carried out work attendance management.
- Followed up with the department to get all staff records/documents in the file in line with HR Policies.
- Carried out other special projects and duties, as assigned.
