PROFESSIONAL EXPERIENCE

Human Resource Assistant

WPP Scangroup Plc | May 2026 – Present

- Support end-to-end recruitment by coordinating job postings, candidate sourcing, screening, interview scheduling, recruitment tracking, offer management, and onboarding.
- Prepare and manage employment contracts, contract renewals, probation confirmations, and other HR documentation while ensuring compliance with company policies and labour legislation.
- Coordinate onboarding and offboarding processes, including employee documentation, induction, clearance, and exit procedures to ensure a seamless employee experience.
- Maintain accurate employee records and HR databases, ensuring data integrity, confidentiality, and compliance with statutory and organizational requirements.
- Assist in payroll preparation by validating employee data, processing HR changes, and ensuring payroll information is accurate and up to date.
- Prepare HR reports, dashboards, and workforce analytics using Excel and Power BI, providing insights on headcount, recruitment, attrition, retention, and other key HR metrics.
- Support employee engagement initiatives and day-to-day HR operations while partnering with managers to deliver efficient and people-focused HR services.
