PROFILE.

Purpose-driven professional with four years hands-on work experience in two fields, Human Resource Management and Sales and Marketing. I am a beneficiary of the Public Service Internship Programme (PSIP) where I have been able to practice as HR Intern at the Public Service Commission of Kenya supporting compliance, recruitment and payroll and benefits administration. This has equipped me with proven ability to authenticate credentials, uphold HR policies and maintain audit-ready HR records in regulated environments.

I am skilled in data analysis, conflict resolution and cross-functional teamwork to support overall organizational goals and diverse staff teams and focused on aligning HR objectives with overall organizational objectives driving the organization towards achievement of its goals.

My three years engagement with Mwananchi Credit Limited equipped me with all-round sales techniques, building long lasting interpersonal relationships and developing strategic plans.

To ensure high standards of professional development, I am a member of the Institute of Human Resource Management under Membership number 22563.
