## Personal Profile

I have a field of expertise in human resource management, office administration and customer service all developed through a working experience of 14 years. I am currently looking for a new opportunity to apply my skills and expertise in a dynamic and collaborative organization that values excellence, diversity and innovation.

## Career Objectives

- To find a progressive position in a supportive organization that can offer me the vital experience to develop a successful career.
- I am aware that every organization has its vision, mission, values, and objectives that need collective effort. My efforts will be geared towards a spirit of teamwork. I will do all I can to improve the institution by working towards the set goals.
