Professional Summary

A Human Resource professional with progressive experience supporting strategic and operational HR functions across the non-profit, private, and public sectors. Experienced in talent acquisition, HR operations, employee relations, HR administration, performance management, HR policy review, workforce planning, employee onboarding, leave administration, disciplinary processes, and records management. Proven ability to strengthen HR systems through process improvement, digital record management, policy enhancement, and data-driven reporting while partnering with management to support organizational objectives. Recognized for analytical thinking, problem-solving, strong interpersonal skills, and the ability to deliver efficient, compliant, and people-centered HR solutions in dynamic work environments.

Core Competencies

HR Operations & Administration | Recruitment & Selection | Talent Acquisition | Employee Relations | Onboarding & Off boarding | HR Documentation | Contract Administration | Leave & Attendance Management | Performance Management | HR Policy Implementation | Employee Sensitization | HR Reporting | Personnel Records Management | Compliance & File Audits | Payroll Support | HR Process Improvement

Work History

HR Representative

MENTAL 360 – Lang’ata, Nairobi

April – Sept 2026

Key Achievements

- Coordinated recruitment for 3 positions, managing 200+ applications across screening, shortlisting, interview scheduling, interviewing and onboarding.
- Contributed to the establishment of the leave dashboard used for leave tracking, supporting centralized visibility of leave information.
- Supported preparation of the organization's annual calendar of events, contributing to the coordination and planning of organizational activities.
- Prepared and managed employee HR documentation, including employment contracts, letters, leave documentation and other employee correspondence; reviewed and redrafted contracts where required.
- Reviewed and updated the Human Resource Manual, developed an HR policy presentation, and supported policy implementation through staff sensitization and communication of workplace procedures.
- Maintained an Excel-based employee database for 20 employees and conducted personnel-file audits, identifying documentation gaps and supporting corrective action to strengthen HR records compliance.
- Reviewed existing HR workflows and supported improvements to the ClickUp hybrid-work management process, strengthening task tracking, accountability and output monitoring.
- Independently prepared the departmental HR budget after consulting departmental heads on workforce and HR resource requirements.

- Provided payroll support for newly onboarded employees, ensuring accurate submission and processing of new-staff information.
- Processed 15+ leave requests and maintained accurate leave records in accordance with organizational policies.
- Supported the onboarding and induction of new employees and coordinated documentation and administrative requirements throughout the employee lifecycle.
- Supported the offboarding of exiting employees, ensuring completion of required documentation and exit processes.
- Provided general HR support to management and team leads on employee relations, HR policies, employee lifecycle matters and people-management needs.

Human Resource Intern

AA KENYA Head Office | Upperhill - Nairobi, Kenya

Sept 2025- Mar 2026

Key Achievements

- Coordinated recruitment activities for 20+ vacancies, managing interview scheduling, candidate and panelists communication, onboarding documentation, and recruitment records.
- Conducted 5 structured interviews, contributing to candidate assessment and selection based on value addition evaluation per candidate.
- Administered daily attendance for approximately 600 employees across 100+ branches, preparing daily and weekly workforce attendance reports covering presence, absence, leave, shifts, and sick leave.
- Coordinated onboarding for 100+ employees, ensuring completion of statutory and organizational documentation.
- Audited 300 employee personnel files, identifying gaps, improving documentation accuracy and HR records compliance.
- Tracked 50+ probation reviews per quarter, ensuring timely performance assessments.
- Prepared 50+ employment contracts and HR correspondence supporting the employee lifecycle and timely issuance for timely employer- employee legal binding purposes.
- Supported employee relations by resolving routine workplace conflicts and coordinating disciplinary processes involving attendance, misconduct, policy breaches, and performance management.
- Utilized Biomet attendance systems and the organization's leave management platform to maintain accurate HR records and reporting.

Human Resource Attaché

COUNTY GOVERNMENT OF KISUMU | Kisumu Kenya.

Jan - Apr 2024

Key Achievements

- Supported HR operations across multiple County Government departments, contributing to employee administration, records management, payroll updates, employee welfare, and HR documentation.
- Administered leave management for 100+ employees and maintained 50+ personnel files.
- Processed gratuity calculations for 50+ contract employees and prepared 50+ retirement notices.
- Coordinated onboarding documentation and employee records for 10+ staff movements, including new hires and exits.

- Issued, collected, and reviewed 50+ performance appraisal forms before management approval.
- Coordinated one departmental Training Needs Assessment (TNA) exercise to support employee development planning.
- Updated 50+ NSSF records and supported monthly payroll updates relating to employee movements.
- Prepared HR correspondence, circulars, and official documentation while providing frontline HR support to employees.

Human Resource Attache'

Nov 2022-Mar 2023

NATIONAL HOSPITAL INSURANCE FUND (NHIF) | Kisumu Branch, Kenya.

Key Achievements

- Registered and updated 100+ members while maintaining accurate beneficiary records.
- Verified 500+ medical claims prior to processing, ensuring compliance with NHIF procedures.
- Processed 200+ payment vouchers supporting finance and claims operations.
- Performed weekly bank reconciliations and supported procurement through preparation of LPOs, LSOs, and inventory documentation.
- Assisted 50+ members and clients daily, resolving registration, claims, and benefit enquiries.
- Utilized BioReg, e-Claim, and Tera Term systems to support member registration and claims administration.

HR Skills & Practical Experience:

- **HR Operations & Administration:** Able to coordinate day-to-day HR activities across the employee lifecycle, keeping documentation, employee records and routine HR processes organized and up to date.
- **Recruitment & Selection:** Comfortable managing recruitment activities from reviewing applications and shortlisting candidates to arranging interviews, participating in interviews and supporting successful candidates through onboarding.
- **Employee Relations:** Able to respond to employee concerns, provide guidance on workplace procedures and support management in handling routine employee relations and disciplinary matters with fairness and discretion.
- **HR Documentation & Records:** Skilled in preparing employment contracts, HR letters, leave and probation documents and employee correspondence, while keeping personnel records complete and identifying gaps that require attention.
- **Leave, Attendance & Workforce Administration:** Able to manage leave requests and records, monitor attendance and prepare reports that give management a clear view of employee presence, absence and related workforce movements.
- **Performance & Probation Support:** Familiar with tracking probation periods, coordinating appraisal documentation and following up on performance processes to ensure reviews and required records are completed on time.
- **HR Policies & Procedures:** Able to review HR policies and manuals, communicate workplace procedures to employees and support implementation through staff sensitization and practical follow-up.
- **HR Systems, Data & Reporting:** Confident working with Excel and Google Sheets to maintain employee information and prepare HR reports, with practical use of biometric attendance, leave-management and task-tracking systems.
- **Payroll & Statutory Support:** Familiar with supporting payroll processes, updating employee information following staff movements and maintaining statutory records such as NSSF information.

- **HR Budgeting & Resource Planning:** Able to prepare departmental HR budget requirements and consult with departmental heads to understand staffing and resource needs.
- **Onboarding & Offboarding:** Able to coordinate the documentation and administrative requirements involved in bringing employees into the organization and supporting their exit.
- **Training & Development:** Participated in Training Needs Assessment and supported the identification of employee development needs for planning purposes.

Skills:

- **Communication & Interpersonal Skills:** Communicate comfortably with employees, candidates, colleagues and management, while maintaining professionalism and respectful working relationships.
- **Problem-Solving:** Approach workplace and administrative challenges practically, assess the situation and work towards solutions that are fair and workable.
- **Attention to Detail:** Careful with employee records, contracts, HR documentation and data, particularly where accuracy and completeness matter.
- **Adaptability:** Able to adjust to different work environments, responsibilities and changing priorities while maintaining the quality of work.
- **Confidentiality & Discretion:** Handle employee information and workplace matters with appropriate confidentiality, sensitivity and professional judgement.
- **Emotional Intelligence:** Able to listen, understand different perspectives and respond thoughtfully when dealing with employees and workplace concerns.
- **Organization & Time Management:** Manage multiple HR activities and deadlines while keeping records, follow-ups and routine tasks organized.
- **Teamwork:** Work collaboratively with colleagues and management while also taking responsibility for assigned HR tasks and follow-through.
