## PROFESSIONAL EXPERIENCE

### HR Assistant | Trailink Group Limited

August 2025 - Present | Kenya

Provides hands-on HR administration support across recruitment, employee records, onboarding, payroll/leave support, staff communication, training coordination, and policy compliance.

#### Key duties

- Coordinated weekly recruitment support by scheduling interviews, confirming candidate availability, sending candidate communications, and supporting interview follow-ups within agreed hiring timelines.
- Maintained employee records on a daily and weekly basis, updating 100% of assigned HR files with accurate staff details, employment documents, leave records, and confidential HR correspondence.
- Prepared employment documents, contracts, onboarding checklists, staff forms, and joining materials for every assigned new hire before reporting dates.
- Supported monthly payroll and leave administration by organizing leave data, staff attendance inputs, and payroll-related records for HR review before processing deadlines.
- Responded to daily employee inquiries professionally, provided first-line administrative support, and escalated sensitive or employee relations matters within the same working day.
- Helped coordinate staff training and performance review activities by preparing schedules, attendance registers, documentation packs, and follow-up records for each assigned cycle.
- Supported HR policy compliance by checking staff documentation weekly, maintaining confidentiality controls, and ensuring records followed company HR procedures.

#### Quantified achievements

- Maintained 100% confidentiality of assigned employee records and sensitive HR information from August 2025 to date.
- Improved HR filing discipline through weekly record updates, enabling faster access to employee files, contracts, leave records, and onboarding documents when needed by HR.
- Reduced avoidable recruitment delays by coordinating interview schedules within weekly hiring timelines and keeping candidate communication active from scheduling to follow-up.
- Supported 100% completion checks of assigned onboarding document packs before new employees reported to duty.
- Contributed to smooth daily HR operations across 5 core support areas: recruitment, records management, onboarding, payroll/leave support, and employee inquiries.

### Administrative Records & Criminal Justice Attache | Kitengela Police Station

2025 | Kajiado, Kenya

Public-sector attachment in a confidential records and justice administration environment requiring procedure adherence, clear documentation, structured communication, and integrity.

#### Key duties

- Compiled and digitized 150+ daily occurrence reports, improving administrative tracking, record accuracy, and retrieval of sensitive information.
- Maintained and archived 200+ case files using organized filing systems, strict confidentiality standards, and controlled access procedures relevant to HR records management.
- Documented 60+ formal statements through structured interviewing, active listening, accurate note-taking, and clear written English communication.
- Assisted in preparing charge sheets and court files for 25+ cases, strengthening compliance documentation and attention to procedural detail.
- Participated in 10+ case briefings, recording follow-ups, tracking action points, and supporting team coordination in a deadline-driven environment.
- Analyzed weekly trends and summarized observations to support planning, reporting, and operational decision-making.
- Coordinated 3 community awareness activities reaching 300+ residents, demonstrating stakeholder communication, event support, and public engagement.

#### Quantified achievements

- Digitized and organized 150+ reports and 200+ case files while maintaining confidentiality and accuracy in a sensitive public-sector records environment.
- Supported timely preparation of 25+ court-related files by organizing documentation, statements, and supporting records for review.
- Strengthened stakeholder communication by documenting 60+ formal statements and supporting 3 awareness activities for 300+ community members.
- Built transferable HR strengths in 6 areas: confidentiality, employee relations documentation, disciplinary-style record keeping, structured interviewing, report writing, and compliance-oriented administration.
