

RHODAH MOSOTI NYANGARESI

679-80108 Kilifi | +254 713024558 | rhodahmosoti@gmail.com

Profile Summary

As a dedicated and multifaceted Human Resource Student, I have cultivated a comprehensive skill set to seamlessly support the Human Resources operations of dynamic organizations.

- (i) I am skilled in data analysis and generation of detailed Human Resource reports to inform key decisions.
- (ii) I blend professionalism with empathy to foster a positive and productive work environment.
- (iii) My ability to blend my strong communication skills with a customer-centric approach make me an asset for any Human Resource team.
- (iv) I am eager to contribute to attracting top talent and developing talent management strategies.

Skills

- Knowledgeable in data input and management of physical and electronic Human Resource Information Systems and databases.
- Proficient in payroll software and compliance requirements.
- Skilled in supporting the recruitment process (applicant screening, interviewing, and onboarding of new employees). Familiar with applicant tracking systems.
- Proficient in handling employee inquiries and concerns professionally by applying Human Resource policies and procedures.
- Knowledgeable in Human Resource laws, compliance, and report analysis using spreadsheets.
- Adept at written and verbal communication skills for effective interaction with employees, managers, and stakeholders.
- Strategic thinking, contributing to the development and implementation of Human Resource strategies that align with the organization's objectives.
- Ability to take on a leadership role within the Human Resource team, providing guidance and support to colleagues.
- Knowledgeable in supporting the talent management lifecycle, including workforce planning, performance management, and succession planning.
- Ability to handle sensitive employee records and confidential information with the utmost discretion.
- Skilled in identifying and addressing workplace conflicts and facilitating resolutions that foster a positive work environment.

Experience

Business Owner and Human Resource Specialist

01/2015 to Current

Overseeing the Talent Acquisition Process:

- Creating job descriptions for different roles, defining the responsibilities, qualifications and competencies required for each position.
- Developing and implementing recruitment strategies to identify qualified candidates with the necessary skills, experience, and qualifications.
- Conducting interviews, assessing candidates and facilitating the onboarding processes for new hires.

Developing and Implementing Employee Training Programs:

- Identifying skill gaps in employees to determine areas for improvement.
- Delivering informative training sessions to effectively impart knowledge and skills.
- Gathering feedback from participants to evaluate the effectiveness of the training programs.

Conflict Resolution and Employee Relations:

- Addressing employee concerns and resolving conflicts in a timely and effective manner, utilizing effective communication, negotiation, and problem-solving skills to find mutually beneficial solutions.
- Upholding a positive and all-inclusive company culture fostering a sense of belonging and collaboration among all employees.
- Promoting open dialogue and employee engagement through regular meetings to encourage communication and participation.

Performance Management:

- Conducting one on one meetings to give constructive feedback and set performance goals.
- Organizing regular performance reviews to assess employee achievements and make compensation decisions.

Human Resource policy development and compliance:

- Drafting policy manuals and standard guiding procedures to guide workplace behavior and practices.
- Maintaining accurate employee records and processing payroll accurately.
- Staying updated on labour laws and regulations to ensure the adherence to health and safety guidelines.
