Target Role: Human Resources Officer — Accord Medical Supplies Limited

PROFESSIONAL SUMMARY

Human Resources and Administration Specialist holding a Bachelor of Commerce and Diploma in Information Studies from the University of Nairobi, alongside ongoing Master of Science studies in Information and Knowledge Management (Part-time) at JKUAT. 5+ years of office administration experience across CloudFactory, Jayden Merchandise Limited, and Kenya National Archives, including employee onboarding, compliance documentation, database administration, and institutional records management. Applies Kenyan employment regulations (Employment Act 2007, OSHA 2007) and statutory payroll compliance schedules (KRA PAYE, NSSF Act 2013 Tier I/II, SHIF 2.75%, Affordable Housing Levy 1.5%, NITA). Experienced in managing employee records registries, tracking leave and attendance logs, enforcing data confidentiality under the Kenya Data Protection Act 2019, and coordinating cross-departmental operations between warehouse, sales, and technical teams.

CORE HR COMPETENCIES & TECHNICAL SKILLS

- Recruitment & Employee Onboarding Documentation
- Kenyan Statutory Deductions (KRA PAYE, NSSF Tier I/II, SHIF, AHL, NITA)
- Employment Law Compliance (Employment Act 2007, OSHA 2007 Warehouse Safety)
- Personnel Records & Registry Management (Kenya Data Protection Act 2019)
- Leave Rostering & Daily Attendance Queue Tracking (MS Excel & HRIS)
- Disciplinary Due Process (Section 41 Hearings) & Grievance Procedures
- Cross-Departmental Coordination (Warehouse, Sales, Tech & Finance)
- Internal Auditing & Audit-Ready Personnel Tracking Systems

PROFESSIONAL EXPERIENCE & OPERATIONAL LEADERSHIP

Administrative & Data Operations Specialist — CloudFactory (Remote / Nairobi Support)

2022 – Present

- Administer daily office and administrative operations, database maintenance, and operational reporting under strict deadlines in a high-volume office environment.
- Coordinate communications, work schedules, and administrative queues across distributed teams, maintaining operational continuity and SLA turnaround times.
- Maintain audit-ready tracking logs and employee attendance databases using Microsoft Office (advanced Excel) and web-based systems, ensuring 99%+ record accuracy.
- Adapt to new administrative systems, workflow changes, and operational priorities with minimal supervision, processing queue volumes under strict delivery deadlines.
- Secure confidential operational data, employee information, and project records in compliance with data privacy standards.

Client Operations Associate — Jayden Merchandise Limited (Nairobi, Kenya)

2021 – 2022

- Facilitated employee and partner onboarding operations by verifying statutory compliance documentation, establishing structured filing protocols, and standardizing record retrieval.
- Managed daily office operations and coordinated with cross-functional departments (procurement, warehouse logistics, and finance) to resolve administrative inquiries within set timelines.
- Maintained organized tracking databases and document repositories, compiling status reports to support operational reviews and audit follow-up.
- Handled high-volume official written correspondence and oral communication, routing employee inquiries and partner requests to departmental heads.

Operations & Administrative Research Specialist — Freelance (Nairobi, Kenya)

2018 – 2021

- Coordinated team logistics, travel arrangements, and site accommodations for field personnel, reconciling expenses against operational budgets.
- Built structured digital file repositories and database management workflows for team access, document classification, and archival preservation.
- Drafted formal written correspondence, official briefings, and stakeholder reports to institutional compliance standards.
- Planned, scheduled, and prioritized multiple concurrent project deliverables under deadline pressure, maintaining a 100% on-time completion record.

Records Management Intern — Kenya National Archives (Nairobi, Kenya)	Prior Internship
• Structured, indexed, and maintained institutional registry databases and physical archives, ensuring rapid retrieval and compliance with strict filing standards. • Monitored official employment contracts and archival records, ensuring documentation complied with statutory retention and information governance guidelines. • Conducted routine quality audits and physical verification checks on institutional records, identifying record discrepancies and implementing corrective controls. • Logged, registered, and routed official incoming and outgoing correspondence to designated departments in accordance with established records protocols.
