Objective

A dedicated, enthusiastic, and people-centered Talent Acquisition professional with experience recruiting across Engineering, Technical, Finance, Mining, Supply chain, Human Resources, and IT sectors. Passionate about connecting talent with opportunities, providing career guidance, and supporting the growth and development of others. Known for strong communication skills, resilience, integrity, and a willingness to go the extra mile to consistently meet recruitment targets and deadlines. Equally effective working independently or as part of a team, with a proven commitment to excellence and continuous improvement. Seeking a perm or contract opportunity within a dynamic organization where I can add value, contribute to business success, and further develop my professional career while making a meaningful impact on people and organizational growth. My strong work ethic, reliability, and determination.
