

STEPHANIE MUTHONI NJUGUNA

Human Resource Professional | HR Operations | Recruitment Coordination | Employee Engagement +254701137000 | muthonistephanie9@gmail.com | [LinkedIn Profile Stephanie Muthoni](#)

PROFILE

HR professional experienced in end-to-end recruitment coordination, HR documentation, and client account management across multiple industries. Skilled in candidate screening and shortlisting, interview coordination, leave administration, contract review, and building HR systems and templates from the ground up. Known for attention to detail, clear communication, and turning ambiguous HR needs into structured, compliant processes.

SKILLS

Recruitment & Selection | Employee Relations | Performance Management | HR Administration | Talent Development | Policy Compliance | Records Management | Training & Development | MS Office Suite (Word, Excel, PowerPoint) | Confidentiality | Communication & Teamwork

WORK EXPERIENCE

Tactive Consulting Group | Nairobi, Kenya | Oct 2025 – Present **People & Culture Associate**

- Manages recruitment pipelines across multiple client accounts, screening applicant pools of 150+ candidates and producing structured five section assessment reports for shortlisted candidates.
- Coordinates interview panels with senior stakeholders, including C-level panelists, and produces interview minutes and feedback documentation
- Designs HR document systems from scratch, including HRIS folder structures, leave trackers with automated accrual calculations, and onboarding/exit documentation for multiple client accounts.
- Reviews employment contracts clause-by-clause against the Employment Act 2007, flagging compliance gaps in leave, commission, and probation terms.
- Runs background checks and reference verification for new hires, coordinating with candidates and past employers to close out onboarding on schedule.
- Builds and delivers client facing HR documents including certificates of service, employee bio-data forms, and induction/clearance paperwork.
- Coordinates HR events, trainings, and employee engagement activities, while providing administrative and client communication support to the People & Culture Lead.

Buckner Kenya | Nairobi, Kenya | Apr 2025 – Jun 2025 **Human Resource Intern**

- Updated and audited employee annual leave records in the HR information system, correcting discrepancies to ensure payroll accuracy.

- Drafted employment contracts and onboarding documentation for newly recruited staff, maintaining accurate personnel files throughout.
- Participated in disciplinary case handling, learning due process requirements under Kenyan labor law.
- Coordinated interview logistics and candidate communication for open roles, supporting the HR Manager's day-to-day recruitment operations.
- Assisted in rolling out employee welfare schemes, including setting up monthly staff deduction plans.
- Supported talent management practices including recruitment planning, employee development initiatives, and retention strategy execution.

VOLUNTEER EXPERIENCE

Kenya Medical Training College | Nairobi, Kenya | May 2023 – Jul 2023 **Human Resource Attaché**

- Reorganized employee filing and front office record systems so documents could be retrieved on request rather than searched for manually.
- Compiled performance appraisal paperwork and consolidated employee feedback into a single format the HR team could review at a glance.
- Reconciled staff leave balances against attendance records to support shift and workforce planning decisions.
- Maintained the annual staff training log, flagging staff who had fallen behind on required development sessions.

MENTORSHIP

Bridge Lab Africa | Jul – Sep 2024 **HR Mentee**

- Worked through real workplace HR scenarios with an assigned mentor as part of a structured, cohort based program.
- Practiced applying leadership and strategic decision-making frameworks to case studies drawn from active HR challenges.
- Held one-on-one sessions with practicing HR professionals to discuss emerging trends and talent management approaches.

EDUCATION

Bachelor of Human Resource Management - The Co-operative University of Kenya
Nairobi, Kenya | September 2020 - December 2024 | Second Class Honours, Upper Division

KEY ACHIEVEMENTS

- Built and maintained leave-tracking systems with automated accrual calculations across multiple client accounts.
- Kept employee records accurate and audit ready across every role held to date.

- Supported disciplinary procedures end-to-end, ensuring due process was consistently followed.
- Delivered onboarding documentation and contract preparation for new hires across HR internships and roles.

CERTIFICATIONS

- Certificate in Foundations of HR Analytics, Data Science, and AI - Finstock Evarsity College.
