PROFESSIONAL EXPERIENCE

Global Talent Acquisition Specialist | OneSource Enterprise Solutions | May 2026 – Present

Key Responsibilities

- Execute end-to-end talent acquisition processes across assigned business functions and markets.
- Source qualified candidates through LinkedIn, job boards, referrals, and targeted recruitment channels.
- Develop talent pipelines through proactive sourcing, talent mapping, and market research.
- Conduct Boolean searches to identify qualified and hard-to-find candidates.
- Screen applicants against job requirements, competencies, and organizational hiring needs.
- Coordinate interviews between candidates, recruiters, and hiring managers across multiple schedules.
- Partner with hiring managers to understand workforce requirements and recruitment priorities.
- Maintain accurate candidate records, recruitment activity, and pipeline information within ATS platforms.
- Deliver timely candidate communication throughout the recruitment and selection process.
- Monitor recruitment market trends to support sourcing strategies and talent availability insights.

Key Achievement

Successfully transitioned into a specialized Talent Acquisition role, expanding professional focus into global recruitment, talent mapping, candidate pipeline development, and strategic sourcing.

Human Resources Officer | Mwananchi Credit Ltd. – Headquarters | February 2025 – April 2026

Key Responsibilities

- Manage end-to-end recruitment processes including job posting, sourcing, screening, and interviews.
- Maintain accurate employee records while ensuring confidentiality, compliance, and data integrity.
- Prepare employment contracts, HR letters, disciplinary documentation, and employee correspondence.
- Verify payroll inputs including attendance, leave, overtime, and employee changes.

- Respond to employee queries and provide guidance on HR policies and procedures.
- Coordinate employee onboarding, induction, documentation, and integration processes.
- Support performance appraisal processes, evaluation tracking, and performance documentation.
- Monitor attendance records and prepare workforce reports for management decision-making.
- Implement employee engagement initiatives supporting employee satisfaction and retention.
- Support employee relations, policy implementation, and compliance with employment requirements.

Key Achievement

Reduced recruitment turnaround time by 20% while improving onboarding efficiency through more structured recruitment and induction processes.

Assistant Human Resources Officer | KBC – Headquarters | January 2024 – January 2025

Key Responsibilities

- Supported recruitment activities through candidate sourcing, interview scheduling, and recruitment coordination.
- Maintained HRIS records and ensured accurate employee information across HR databases.
- Coordinated onboarding and induction activities for newly recruited employees.
- Prepared HR reports and maintained employment compliance documentation.
- Drafted internal HR communications including staff memos, letters, and official correspondence.
- Monitored employee attendance and prepared workforce reports for management review.
- Processed employee leave applications and maintained accurate leave balances.
- Supported payroll preparation through verification of employee information and attendance data.
- Assisted employee engagement activities and broader HR initiatives.
- Supported daily HR administration and employee lifecycle management processes.

Key Achievement

Improved HR data accuracy by 30% through digitization and systematic management of employee records.

HR Attaché | County Government of Kiambu | January 2023 – April 2023 | 4 Months

Key Responsibilities

- Organized and digitized employee records to improve compliance and accessibility.
- Assisted payroll processing and verification for casual employees.
- Processed employee leave applications and maintained accurate leave balances.
- Responded to employee queries and escalated complex HR matters appropriately.
- Supported performance appraisal documentation and employee evaluation processes.
- Maintained HR compliance records, personnel files, and administrative documentation.
- Assisted preparation of HR reports and routine administrative activities.
- Supported employee relations processes and employee service delivery.
- Coordinated HR documentation workflows across assigned employee records.
- Supported HR officers with daily workforce administration and reporting.

Key Achievement

Achieved 100% payroll support accuracy while assisting payroll processing for more than 200 casual employees.
