PROFESSIONAL PROFILE

IHRM member and human resource professional supporting a workforce of over 1,000 employees across a Nairobi head office and field teams nationwide within an agricultural processing EPZ company. Experienced in recruitment, employee relations, performance management, training coordination, payroll support and confidential records. Also responsible for administrative procurement, PPE and consumables management, office supervision and day-to-day workplace support.

CORE COMPETENCIES

Recruitment and Selection | Employee Relations | HR Records and HRIS | Performance Management | Training Coordination | Leave and Attendance | Payroll Support | Disciplinary Procedures | Labour Law Compliance | Occupational Safety and Health | Office Administration and Supervision | Procurement and Vendor Coordination | PPE and Consumables Management | Data Protection | Microsoft Office

PROFESSIONAL EXPERIENCE

Human Resource Associate

Nov 2024 - Present

Tensenses Africa EPZ Limited | Agricultural Processing Company

- Support HR operations for a workforce of over 1,000 employees across the Nairobi head office and field teams throughout Kenya, maintaining master-roll data and conducting audits for payroll accuracy and compliance.
- Coordinate recruitment, candidate screening and shortlisting, training-needs identification, employee engagement surveys and performance-review processes.
- Handle routine employee-relations and minor disciplinary matters promptly and confidentially, escalating complex issues when necessary.
- Administer leave balances and pending off-days, coordinate HR communications, and maintain organised personnel and departmental records.
- Procure PPE, stationery and office consumables by raising requisitions, obtaining quotations, coordinating suppliers and deliveries, and verifying receipt and issue records.
- Supervise daily office administration, workplace requirements, internal correspondence and meeting logistics to keep operations organised and adequately supplied.

Human Resource Assistant

Dec 2023 - May 2024

Rwathia Distributors Limited

- Updated the employee master roll, correspondence and personnel records through regular checks, improving data accuracy and retrieval.
- Supported recruitment and selection by screening and shortlisting more than 50 candidates for multiple vacancies.
- Assisted with final-dues verification and offboarding documentation to support timely and accurate employee exits.
- Managed leave and pending-off calculations, employee headcounts, audits, minor disciplinary documentation and general HR administration.

Human Resource Assistant

Jan 2023 - Sep 2023

Cossim Limited Company

- Supported the identification of learning and development needs and coordinated targeted training activities with managers and stakeholders.
- Administered employee surveys and supported engagement, retention, diversity and inclusion initiatives based on workforce feedback.
- Coordinated performance-management activities and follow-up, contributing to a 95% performance-review completion rate.

Human Resource Reliever
Upperhill Springs Restaurant

Aug 2022 - Dec 2022

- Prepared and posted job advertisements, reviewed applications, conducted initial screening and supported candidate shortlisting.
- Coordinated interviews, candidate communication and scheduling with the Restaurant Manager, reducing avoidable conflicts and improving the candidate experience.
- Coordinated employment-history, education and criminal-record checks in line with recruitment requirements.

Human Resource Attachee
National Hospital Insurance Fund

Apr 2022 - Jul 2022

- Responded to benefits, contribution and member enquiries and supported the administration of employee benefits information.
- Maintained attendance, leave and time-off records to support accurate payroll inputs and compliance with leave procedures.
- Provided administrative support through correspondence, meeting coordination, document preparation, record maintenance and employee engagement activities.
