Professional Experience

Social Media Manager

FESH LLC (Remote) | Aug 2024 – Jul 2025

- Developed and managed multi-platform social media strategies aligned with brand goals across Instagram, Facebook, X (Twitter), TikTok, and LinkedIn.
- Improved audience engagement by 35% through creation of platform-specific campaigns using reels, stories, and influencer collaborations.
- Scheduled and optimized content using Buffer, Hootsuite, and Meta Business Suite, ensuring consistent online presence.
- Monitored engagement metrics (reach, impressions, click-throughs) and used data insights to refine strategy.

- Supported customer engagement by promptly responding to messages and comments, enhancing brand trust and responsiveness.

Virtual Assistant & Content Moderator

Cloudworkers (Remote) | Nov 2023 – Jul 2024

- Provided comprehensive administrative and operational support in a remote work environment while ensuring compliance with community and platform guidelines.
- Managed calendars, scheduled meetings, coordinated appointments, and organized travel arrangements for clients and team members.
- Responded promptly and professionally to emails, customer inquiries, and live chat requests, maintaining a high level of customer satisfaction.
- Reviewed and moderated user-generated content, including chats, comments, posts, and images, ensuring adherence to community standards and company policies.
- Identified, investigated, and escalated inappropriate, abusive, fraudulent, or policy-violating content to the relevant teams.
- Maintained accurate digital records, customer databases, and confidential documentation with a high degree of accuracy.
- Performed data entry, internet research, document preparation, and report generation to support daily business operations.
- Coordinated tasks, monitored project timelines, and collaborated with remote teams using project management and communication tools.
- Assisted with CRM management, customer record updates, expense tracking, invoice processing, and basic administrative support.
- Prepared meeting agendas, recorded minutes, and followed up on action items to ensure timely completion of tasks.
- Utilized AI-powered productivity tools and office software to improve efficiency, automate routine tasks, and enhance workflow management.
- Consistently met productivity, quality, and turnaround time targets while maintaining exceptional attention to detail.
- Applied sound judgment when handling sensitive information, maintaining confidentiality, and resolving complex customer or moderation cases.
- Demonstrated excellent written communication, time management, multitasking, and problem-solving skills in a fast-paced remote work environment.

HR Assistant

Recruitment Room, Nairobi | Oct 2021– Nov 2022

- Managed the end-to-end recruitment process, including job posting, candidate sourcing, resume screening, interview coordination, reference checks, offer preparation, and onboarding.
- Collaborated with hiring managers to identify staffing needs, develop job descriptions, and ensure timely recruitment for administrative, customer service, HR, and technical positions.

- Posted vacancies on job boards, LinkedIn, and company career pages, attracting qualified candidates and maintaining a strong talent pipeline.
- Conducted initial candidate screenings, scheduled interviews, and coordinated communication between applicants and hiring teams throughout the recruitment process.
- Prepared employment contracts, offer letters, onboarding documents, and maintained accurate recruitment records using Applicant Tracking Systems (ATS) and HR databases.
- Facilitated new employee onboarding by organizing orientation sessions, collecting employment documentation, and ensuring compliance with company policies and labor regulations.
- Maintained confidential employee records, personnel files, attendance, leave records, and HR documentation with a high level of accuracy and confidentiality.
- Assisted with payroll preparation by verifying employee attendance, leave balances, and timesheets while ensuring data accuracy.
- Supported employee relations by responding to HR inquiries, explaining company policies, assisting with conflict resolution, and promoting a positive work environment.
- Coordinated employee training programs, performance appraisal processes, and staff engagement initiatives to support employee development and retention.
- Assisted with disciplinary procedures, employee exits, and offboarding processes while maintaining proper documentation and compliance.
- Generated HR reports on recruitment activities, staffing levels, employee attendance, turnover, and other HR metrics to support management decision-making.
- Ensured compliance with employment laws, company policies, and HR best practices through proper documentation and record management.
- Managed interview calendars, scheduled meetings using Microsoft Outlook and Google Calendar, and maintained effective communication with candidates and internal stakeholders.
- Contributed to improving recruitment and HR administrative processes, reducing hiring turnaround times and enhancing the overall employee experience.

Education

Virtual Assistant Training | ALX Africa, Nairobi | Sept 2024 – Dec 2024

- Gained practical training in administrative support, digital communication, and productivity tools (Google Workspace, Trello, Slack, Notion, Zoom).

Software Engineering (Online Program) | Harvard University – edX | Jan 2023-March 2024

- Studied computer science fundamentals, software development, and programming languages including Python and HTML/CSS.
