PROFESSIONAL SUMMARY

Diligent Human Resource Management Diploma holder, currently pursuing BSc in Business Management, HR Option, with 1+ years' experience in recruitment, personnel records management, and customer service. Proven track record supporting HR operations at TSC and delivering client-facing service as Teller/Marketing Intern at Solution Sacco.

Detail-oriented, reliable and skilled in MS Office with strong communication and data accuracy skills.

WORK EXPERIENCE

Solution Sacco | Marketing Intern / Teller | July 2024 - April 2025

1. Preparing and distributing marketing materials to assist in promotion services
2. Managed personnel records including employee files, leave records, and contracts with 99% accuracy and confidentiality
3. Worked on member data management to ensure accurate records
4. Processed cash transactions worth Ksh 500K+ daily as Teller with zero cash discrepancies recorded
5. Delivered customer service to 50+ clients daily, resolving inquiries and promoting sacco products, increasing member retention
6. Maintained accurate HR and financial records using Excel and Computer Packages, improving data retrieval speed
7. Handled internal communications and drafted reports for management, ensuring timely information flow
8. Promoted sacco products through field marketing, contributing to 12% growth in new member registrations
9. Collaborated with HR and Finance teams to ensure compliance with sacco policies and regulatory requirements

Teachers Service Commission TSC | HR Assistant Attachee | May 2023 - August 2023

1. Updated and maintained confidential personnel records for 200+ teachers using HRIS and physical filing systems
2. Assisted in recruitment process including CV sorting, shortlisting, and scheduling interviews for teaching positions
3. Supported employee onboarding by preparing induction materials and guiding new staff on TSC procedures
4. Processed leave applications and transfer requests with accuracy, ensuring compliance with TSC policies

5. Responded to employee inquiries on payroll, benefits, and HR policies, improving staff satisfaction

6. Generated HR reports and data summaries for supervisors using MS Excel, supporting decision-making
